Thursday, December 9, will be Reciprocity Day at the North Shore Catholic Woman's league, and the program will be in charge of Mrs. Edward Hines of Evanston. Several of the neighboring presidents of woman's clubs are expected to be in attendance. A delightful program has been arranged, including a group of songs by Mrs. J. A. Smale, contralto, and an address on "Social Service" by Miss Van Driel of the Loyola School of Sociology. Mrs. Hines will give a report of the progress made on Rosary college, now under

construction. The league has been contemplating the change of name from Philanthropy department to Social Service department, and it would seem that this will be a most opportune time to consider the matter.

All members are urged to be present at this meeting.
