

"Dear Santa: Please Make Mother Well"

Christmas morning this year will dawn bleak and gray for thousands of little kiddies, whose only Santa Claus will be the stalking spectre of Tuberculosis, exacting his toll of 150,000 lives this year in our country alone.

Can we—can you—reflect on our Christmas Spirit with a sense of righteousness if we have failed to include Christmas Seals with our gifts?

LOCAL BOWLERS SCORE HIGH IN K. C. LEAGUE

Though defeated in two of three games Tuesday evening at the Leffingwell alleys in Evanston, members of the bowling team representing Quilmette council in the North Shore Knights of Columbus Bowling league, felt exuberant over their exhibition.

It is the first time in the history of the local council that a team has represented it in any bowling league. University, Columbus and Newman councils also belong to the organization and it was Newman that took the fall out of the local players.

Assisted by three members of their "champ" team the Evanstonians romped away with the first game finishing 67 pins in the lead. The Quilmette players came back strong, in the second engagement, and defeated the Newman bowlers by 110 pins. The third and final game was a "corker" and it looked like a Quilmette victory until the last three frames when the Newman rollers took advantage of a momentary lapse on the part of their opponents and captured the event in a great finish, with a score of 810 to 799.

In addition to these signs of caution, broad white center lines appear at curves and bridge approaches to discourage the tendency to cut corners.

Motorist's Resentment.
"Have you studied economy in the home?" "Yes," replied Mr. Chuggins. "I'm tired of paying out all this money to keep up a cooking range, instead of spending it for gasoline."
