

Activities of North Shore Clubs

by Ruth Risley

MR. Willoughby G. Walling of Winnetka will speak at the Winnetka Woman's club on Thursday afternoon, December 16, on "European Relief Work". Mr. Walling is vice chairman of the American Red Cross and has been engaged in this relief work for almost four years. The club is most fortunate in being able to hear from Mr. Walling something of the tremendous work that he is helping so ably to direct. A large attendance is desired.

Wilmette Woman's club members will be interested in learning that Miss Mary Welch, contralto, who has appeared on several occasions before the club is to present the program on next Wednesday afternoon, at 2:30 o'clock. The hostesses for the afternoon will be Mesdames James Wray, Edward Eaton, Clark L. Hayes and John Kieft.

The Skokie Country club house is still open, and on Saturday evening, December 11, there will be a club party, including a dinner, with music and dancing, or bridge whist for those who enjoy it. The idea of the evening is to make it attractive to the entire membership. The directors have been asked by a good many members that the clubhouse be kept open and that entertainment be provided.

The Board of Directors has also decided that any member of the club who may wish to entertain during the month of December at Skokie may engage the clubhouse for a dinner, dance or cards.

The Drama Study class of the Wilmette Woman's club will meet Monday, December 13, at 2:30 o'clock, at the clubhouse. Mr. O. P. Heggie, now playing the star role in the comedy, "Happy Go Lucky" at the Playhouse, will be the speaker. As this will be the last class program no tickets will be necessary and a cordial invitation is extended to anyone in the village who would be interested in hearing Mr. Heggie.

At the annual meeting of the Ravinia club, an organization formed for the bettering of conditions at Ravinia Park, held last week in the Blackstone Hotel, the names of officials for the coming year were presented by the nominating committee. Mrs. Mark W. Cresap of Kenilworth, is slated for president.

GOLDFISH AND DOLPHINS NOW THE VOGUE AT N. T. H. S.

New Trier High school's natatorium presents the scene each day of some boy or girl struggling to earn a membership in the Goldfish or Dolphin club.

The members must pass certain tests before admittance, the goal of each aspirant being 60 points, which admits privileges of the club. The winning girls are known as the Goldfish while the boys are termed Dolphins.

Records kept by gate attendants at Yellowstone National Park as to the number of motor vehicles visiting the park this season show Montana furnished more auto tourists than any other state. The total number of cars which entered from all states for 1920 was 13,502.

ORIENTAL RUGS

WHAT COULD BE A GREATER GIFT

These patient toilers of the East delight in subdued colorings and artistic designs; and without a doubt many a story is woven in with the threads that go to form the fabric, many a song of joy, many a dirge of woe and despair.

You can buy a good Oriental Rug at Leath's for less money than any place in the downtown district.
