The marriage of Miss Edna L. Niemeyer, daughter of Mrs. George Niemeyer, of Chicago, to Eugene Gordon Moody, son of Mrs. Isabel G. Moody, of Wilmette, was solemnized on Saturday afternoon, December 11, in the Fullerton Avenue Presbyterian church. Dr. Charles S. Pier read the service at 4 o'clock.

The bride wore an attractive frock of white satin and lace, made with a court train. Her veil of tulle fell the full length of the train, from a dainty frill of lace and orange blossoms, and she carried a shower bouquet of white sweet peas and bride's roses. The attendants, Mrs. Sherman B. Orwig, of Winnetka, who served as matron of honor; Miss Zada E. Niemeyer, as maid of honor, and the Misses Louise Bridges, of Oak Park, Helen Potts and Florence Van Dallen, who were bridesmaids, were gowned in lovely frocks of blue and pink taffeta, and carried shower bouquet of pink roses. Little June Orwig and Edna Niemeyer were flower girls.

Mr. William Moody attended by his brother as best man, and the ushers included Messrs. John Page, of Wilmette, Cerdic Pierce of Oak Park, Leslie Albright of Hubbard Woods, and William Fricke, of South Bend, Ind. Preceding the service Mr. Sherman B. Orwig, of Wilmette, rendered a delightful solo. The wedding march was played by Mrs. Charles S. Pier.

GASOLINE OUTPUT JUMPS.

All gasoline output records were broken during September, the Bureau of Mines announced this week. Refineries produced a daily average of 15,000,000 gallons, making the total for the first nine months of 1920 3,500,000,000 against 2,900,000,000 gallons in 1919. Consumption and exports continued high, so that while storage tanks on September 30 held 298,000,000 gallons this was less than that on August 30. WORKS BOTH WAYS.

"You can't get something for nothing," said the man of severe principles.

"I dunno," replied the farmer. "I dunno. I got nothing for something in the mining deal last week and I can't see but what it worked the other way' round for the other fellow."—Boston Transcript.

Charles P. Root, field secretary of the Chicago Motor club says:

"Every day in Los Angeles now, a person can see six or eight motor cars with Illinois license plates thereon and it is the habit for one driver to hail another with "Hello, Illinois." If any body were to stand for an hour on Broadway, in Los Angeles, he would not fail to see a Chicago Motor club emblem on the radiator of a visiting Illinois car; they are thick even 3,000 miles from home."

OBVIOUS, WATSON!

Nurse: I lost sight of the child, ma'am, and—

Alarmed Mother: Good gracious, why didn't you speak to a policeman?

Nurse: I was speaking to one all the time, ma'am.

HALF OF CANADA'S TRADE WITH WORLD GOES TO THE U. S.

Ottawa, Ont.—More than half of Canada's total trade with the world is conducted with the United States, according to a government report. For the twelve months ending August 31, Canada's total trade with the United States was valued at \$1,409,607,318, an increase of \$286,414,904 over the preceding year.

Canada sold to the United States goods valued at \$505,451,989, an increase of \$74,866,548 and bought from the United States goods valued at \$904,115,329, an increase of more than \$211,548,356.

Canada's total trade with the world was \$2,553,544,703. The imports were \$1,296,152,364 and exports \$1,257,442,339.

"The people of the United States who decry emigration of American farmers to Canada," said an economist, "will find a lesson in the figures of this government report. More Americans in Canada mean greater development of Canada which means greater business and prosperity in the United States."
