

Activities of North Shore Clubs

by Ruth Risley

MRS. Bert Leston Taylor will give a Brahms recital before the Winnetka Woman's club on Thursday, January 20, at 3 o'clock. She will be assisted by Mrs. Robert Butz, reader, and Mrs. C. E. Karstrom, soprano. The program is one of the series arranged by the music department of the club, and is in charge of Mrs. I. K. Friedman. Members of the club are urged to invite friends.

Mrs. Taylor (Mrs. "B. L. T."), is a well-known artist, and her talks on Brahms are very much in demand. This is a rare opportunity for the women of Winnetka.

Henry Walter Graham will speak on, "How Our Federal Constitution was Made," at the meeting of the Woman's Library club to be held next Thursday afternoon, at the clubhouse, and every member ought to avail herself of this splendid opportunity. Mr. Graham is an excellent speaker, and has given this same lecture before many clubwomen in and about Chicago. Augmenting this delightful program, will be a group of selections by Mrs. Clara Bartholomay-Jelke, a pianist of wonderful ability.

A two weeks' training course in civics is offered to the women of the state by the Illinois League of Women Voters. Under its auspices a School of Citizenship will be held at the Young Women's Christian association at Central Branch headquarters, 59 East Monroe street, Chicago, from January 24 to February 5, inclusive.

Lectures will be given by nationally known leaders in civic and political life and at the close of the course an examination will be held for those who desire to review the subjects under discussion. Women receiving diplomas will be qualified to direct in their own communities the movement for better citizenship—which is the objective of the League of Women Voters. Later the organization plans to conduct similar schools in every county in Illinois. Those taking this course will thus be able to carry on this undertaking.

Mrs. Henry W. Cheney, president of the league sends this message to the women of the state, in announcing plans for the school: "The large vote cast by Illinois women in the election of last November proved their desire to use their privilege as voters. This course has been planned to familiarize the general public with the opportunities confronting us as citizens. We have secured such well-

known leaders as Victor Yarros, of the Chicago School of Civics and Philanthropy, who will conduct a regular course in civics throughout the two weeks' term. Jane Adams, Mrs. Ira Couch Wood, ex-Congresswoman Jeanette Rankin of Montana, Robert E. Hieronymus, Community Advisor for Illinois, ex-Governor Edward F. Dunne and many other notables. We believe that persons who have not hitherto taken an active part in either club or civic life will find this course of great value."

Enrollment for the course, which embraces many opportunities for interesting sight seeing in personally conducted tours of the city, are being made at the league headquarters, Room 207, 410 South Michigan avenue, Chicago. Arrangements may be made to attend part of the two weeks' term if desired. Programs of the entire course will be sent those interested.

WE are always rushed with automobile painting during the early spring months and we anticipate a big business this year.

NOW you will not miss your car so much. We can give you better attention and better prices.

The quality of our painting is on a par if not better than you can obtain elsewhere.

Painting, overhauling, upholstering, in fact everything for the automobile.

A goodly number of members and many guests were in evidence at the meeting of the Wilmette Woman's club on Wednesday afternoon, when Mr. Edward T. Devine, editor of the magazine, "Survey," spoke in a pleasing manner, on "American Ideals, True and False." Then there were two delightful groups of songs rendered by Mr. Joel Lay, baritone, a young artist, who is in great demand this winter on programs of various of the clubs.

The next meeting of the club, on January 26, will take the form of a luncheon, with reports from the chairmen of committees. Luncheon reservations should be sent to Mrs. Gordon C. Jeffrey, 1527 Walnut avenue.

Chicago and its suburbs qualified six golfers in the third division of

the championship of the Winter Gold League of Advertising Interests, being played this week at Pinchurst, N. C., among them F. C. Little, of Exmoor; H. B. Williams, of Skokie, and

T. H. McInerney, of Indian Hill. Mrs. T. H. McInerney will represent Chicago in the women's second eight. Mrs. Guy C. Pierce, Evanston, qualified for the third eight.
