

Activities of North Shore Clubs

by Ruth Risley

AT the meeting of the Woman's Library club of Glencoe on Thursday, March 3, the program will be in charge of the Civics department. The subject for discussion will be "Infant Welfare", and two capable speakers have been obtained for this occasion in the person of Miss Susan Place and Mrs. A. P. Kenney. Augmenting the program will be the presentation of a group of Children's songs by Mrs. C. E. Karstrom, contralto.

Mrs. Arthur W. Brintnall is the hostess for the month of March.

The Winnetka Woman's club takes pleasure in announcing that Prof. William E. Dodd of the University of Chicago will give his popular lecture on Thomas Jefferson, on the evening of March 4, at the clubhouse.

Through the generosity of Prof. Dodd this lecture is open to all club members and their friends, without charge.

Mrs. Edward S. Bailey, first vice-president of the Illinois Federation of Women's Clubs, presided at a luncheon meeting of leading club women at noon Friday, February 18, in the Marshall Field store South Grill Party Room. The meeting was held for the purpose of organizing groups of women prominent in philanthropic enterprises in the coming campaign to raise by public subscription \$250,000 to enlarge the scope of Chicago Junior Home and Farm School. Chicago Junior is a nonsectarian farm home and school. Judge Hugo Pam of the Criminal Court is president of the institution. Gen. Leonard Wood has been honorary president for three years.

The Illinois Federation of Women's Clubs held a legislative forum on Thursday and Friday at the Congress hotel, under the auspices of the legislative committee, of which Miss Grace Dixon is chairman. The bills will be presented by men legislators, and both sides will be considered and time allowed for discussion.

NEW TRIER SWIMMERS CINCH LEAGUE HONORS

New Trier High school swimmers defeated Morton's senior and junior teams last Friday, at New Trier, the seniors copping 39-20 and the juniors 39-11.

The double victory assures New Trier undisputed claim to the Suburban league title and shield.

The second lecture of the course presented by the Civics and Legislative department of the Wilmette Woman's club will be given on Monday, February 28, at two-thirty o'clock. Mrs. Abena Miller Rich will talk on "The Relations of the State to the National Government". These meetings are proving to be very interesting as well as profitable.
