

Social Happenings in Winnetka & Hubbard Woods. by Ruth Risley

A KEEN interest is being displayed by the members of the Drama Study class of the Winnetka Woman's club in the program to be given on Monday, March 14, when Mrs. Laird Bell will give a paper on "Bernard Shaw" and Mrs. E. V. L. Brown will read selections from Shaw. The program was scheduled for February 28, but on account of illness, was postponed, and Mrs. Albert H. Veeder, Jr., graciously gave at that time a most interesting reading of Maeterlinck's "Pelleas and Melisande."

The program on next Monday will commence at 3 o'clock. Members of the club are invited to this meeting and guests are welcome on payment of the regular guest fee.

The marriage of Miss Catherine Orde, daughter of Mr. and Mrs. Markham B. Orde, of Greenleaf avenue, Glencoe, to Mr. Landon Hoyt, Jr., son of Mr. and Mrs. Landon Hoyt, of 435 Elm street, Winnetka, will take place on Wednesday, April 23.

Of interest to Winnetkans is the announcement of the approaching marriage of Miss Virginia Tietgens, daughter of Mr. and Mrs. Paul Tietgens, to Mr. Thomas L. Glass, son of Mrs. John Glass of the Drake, which will take place on Saturday, April 2, in St. Chrysostom's church, Chicago. Mr. Glass and his bride expect to live in Michigan City for a year.

Mr. and Mrs. Charles Newton Roberts, of Wilmette, announce the engagement of their daughter, Helen, to Mr. Charles Phillips Glennon, son of Mr. and Mrs. J. M. Glennon of Springfield, Mo. No date has been set for the wedding.

The Woman's Christian Temperance Union held its monthly meeting with Miss Lillian Struggles on Monday. Devotions were conducted by Mrs. Eugene Teal of Wilmette.

The paper by Mrs. J. C. Drake on "Child Welfare and Americanization" said in part: "We are not speaking of habits or saluting the flag, or singing 'The Star Spangled Banner'. We are working for the assimilation and amalgamation of the different nationalities. We recognize the value of each and often receive more than we give. The Temperance Union is carrying on a distinct work with foreign mothers who may be reached only in the home. If the mothers acquire the language which the children have learned in school, they have the respect of their children as they do not have when dependent upon their children to interpret for them. In Minnesota rural schools there are more than 2,800 little Speak-English workers, who, after the dishes are cleared away at night, get their primers and begin teaching their parents the daily lesson. These little teachers wear Speak-English buttons. Their pledge is 'We believe that to be true Americans, we must speak the language of America. We therefore pledge ourselves to speak the English at home as far as possible, and at school and to encourage and teach them to do the same.'"

The State Woman's Christian Temperance Union has organized an Americanization Center at 1638 Blue Island avenue Chicago. A party for foreign speaking mothers was held on February 3, and there were thirty-five present. One Croatian woman, the mother of twin boys said "I so glad you come. I like English so much. We pretty nearly all American now".

A little girl was in her father's store when a man asked in Finnish for candy. She replied, "Speak English and I will give you some."

The Wellesley Wayside Inn, as the new little shop is to be known hereafter, has several new features. Friday afternoons, there will be a pantry sale of home-made cakes and other cooked foods.

The Saturday Afternoon Matinee dances will be an added attraction and from the interest already shown by the young people, this form of entertainment will be very popular.

The scenes in the park were beautifully illustrated by stereopticon slides operated by Mrs. Edwin Fisher. Master George Atkin assisted in the entertainment by giving the piano solos. Advance notice is also given of a play to be given March 23, at Community House for the Missionary department of the Woman's society. "Honey," a play of the southern mountaineers, will be put on under the direction of Mrs. Sherman Goble.

Monday is a popular North Shore Day at the Wellesley Wayside Inn, Evanston, for Mrs. Bruce MacLeish of Glencoe is assisting in the kitchen and Mrs. Albert O. Olson of Winnetka is captain of the waitresses for that day.

It is evident that despite the early thunderstorms, the residents of Evanston and the north shore are ready to patronize the newly opened Wellesley Wayside Inn, as several special luncheon parties reserve space daily for the popular plate luncheon. The cozy cheery room is a great temptation for afternoon tea, to which Florence's famous crisp waffles and the "Wellesley Special Sundae" add popularity.

On Saturday evening of last week, Martin Thorsen entertained a group of the postal employes informally at his home, 1031 Spruce street.

Mrs. John Mills, 694 Center street, will have as her guest for the coming week, Mrs. S. A. Sullivan and Miss E. Larson of Ogema, Wis.
