

You Can Lay Asbestos Shingles Right Over the Old Shingles

WHEN your shingle roof must be replaced you need no longer suffer the house full of dust and dirt, litter, annoyance and expense of ripping off the old shingles. Leave them where they are and lay Johns-Manville Asbestos Shingles **RIGHT ON TOP OF THEM.** Then you'll have a roof that is fireproof and everlasting; you'll get the benefit of the splendid roof insulation afforded by the old shingles and, most important of all, you will have re-roofed for the last time.

Re-Roof for the Last Time With Johns-Manville Asbestos Shingle

Lay Johns-Manville Asbestos Shingles right over the old wooden shingles and you eliminate roofing troubles and expense for all time because Johns-Manville Asbestos Shingles will last as long as your building stands. They're all mineral—nothing in them to rot or burn; they will not warp, curl or split; they never need paint; they're easy to lay and they are most attractive in appearance.

Does your roof need replacement? If so, it will pay you to get full information about this method of re-roofing with Johns-Manville Asbestos Shingles. See us at once. We can do the work for you quickly, easily and economically.

Write, call or telephone today for full particulars.

Bear in mind that when you specify Johns-Manville Asbestos Shingles you not only are assured of satisfaction by us but you have the guarantee of one of the largest firms in the country.

G. M. Houren, chief of the Winnetka Fire Department, witnessed our exhibition last Tuesday and gave his hearty endorsement of the fire resisting qualities of the Johns-Manville Asbestos Shingles.
