Bringing Prices Down to a Pre-War Basis

Commercial Stationery

We have cut 10 per cent or more from the prices of all our Commercial Stationery—pencil sharpeners, clips, pens, pencils, pen holders, paper fasteners, card trays, letter trays, filing cases, filing cabinets, document files—our entire line of Commercial Stationery and office supplies, which is the largest between Chicago and Milwaukee, has been reduced in price to meet new market conditions.

This one week of sale beginning Monday signalizes our plan for a material reduction in prices in all lines of our stock. After making inventory we have decided on cuts averaging 10 per cent and 15 per cent to conform with new market conditions.

In many lines, in order to reduce stock, we have made still greater reductions for next week only, in many cases prices have been cut in half. We are able to effect still greater savings to our customers because we have recently bought up the entire stock of a stationery store which discontinued. This is entirely fresh stock and we are selling it at a great reduction below regular prices.

Because of the extremely low prices on goods listed here for special sale no returns, refunds or adjustments can be allowed on sale articles.

Typewriters at Big Reductions

We carry a complete stock of rebuilt typewriters of every make—and we are the agents for new typewriters of the leading makes. We buy, sell, rent and repair typewriters. Call on our typewriter service department. It is 100 per cent efficient.
