

Three Times Suburban Swim Champs

Reading from left to right—beginning at upper extreme left: B. Atwood, G. Marks, E. Jones, K. King, K. Davis, G. Conner, W. Tencher, W. Jameson, G. Veeder. Next lower: H. Ambler, H. Jones, K. Mordoch, D. Dennett, E. Purnell, A. Kennedy. Second lower: R. Wood, J. Robertson, R. Skelton, Captain Kerr, P. Corbett, J. Hamilton, J. Bell. Lower: H. Newport, W. Schmedtgen, R. Cody, E. Younker.

The above group of sturdy athletes represents the largest squad of prep swimmers ever coached in a single season by a New Trier director. It likewise comprises one of the largest groups of prep natators in the country of the 1920-21 season.

Coach E. B. Jackson, who taught all of the above boys everything they

know about swimming has a reputation as one of the leaders in the Middle West. His record and that of his team is enviable.

Since he took charge of the "tank" at New Trier High in 1918 the north shore school has not been defeated by a Suburban league swimming outfit. Oak Park has been able to trim

every team in the Suburban league in other departments of school sport, usually with ease, but even they admit that the north shore boys are their superiors in the water sports.

At the recent National Interscholastic meet, held at the Illinois A. C. in Chicago, New Trier finished second to Lane Tech. Such strong teams as

Northern High of Detroit and several Milwaukee and eastern squads were forced to accept lower marks.

Skelton is without a peer in the junior breast stroke event. He holds the world's record for the 220-yard breast stroke negotiating it in 3:01 1-5. Schmedtgen is also a star holding the National Interscholastic fancy diving record. Another star on the above picture is Kerr who was handicapped during the present season by a crippled knee caused by an accident in the Oak Park-New Trier football game last fall.

New Trier is entered in the Interscholastic tourney to be held at

Northwestern University tank Saturday evening, April 2.

Some of the natators not in the above group but who were with the squad during the season are Blake, Crook, Donaldson, Frazer, Osgood, Stoddard, Moses, Wheatley and Welch.

The Dunlap Cream Whip

is eulogized by thousands of housewives because of its reliability. It never spoils the cream by failing in its duty, and will whip it under almost any conditions.

The blade of perforated steel just fits the bowl which comes with it. It is raised only a fraction of an inch from the bottom, which keeps the cream from splashing.
