

NORTH SHORE TICKET WINS "HANDS DOWN"

Regular Ticket Buries James R. Crocker, Independent Candidate, in Annual Town Election

BALLOTING LACKS INTERES

Glencoe Gets Corner on Voting Activity With Tapper and Crocker Workers On Job

In one of the lightest and generally most uninterested elections in the history of New Trier Township, the North Shore Township ticket swept the field Tuesday in what was practically equivalent to a complimentary ballot.

The sole opposing candidate, James R. Crocker, who sought re-election to a justiceship as an independent was literally overwhelmed even with the desultory voting.

Battle In Glencoe

In Glencoe alone, were there any appreciable signs of activity in the vicinity of the Township polling places. In that Village the interest centered upon George W. Tapper, Jr., North Shore Township ticket candidate, and Crocker who conducted a brave but futile fight as an isolated candidate. Tapper swung the village heavily into the column of the regular ticket a circumstance which nailed securely the defeat of his rival. Both men labored diligently up to the last minute of voting thereby attracting the undivided interest of the election workers all along the line in the township.

For a time the opposition felt compelled to admit Crocker had a fighting chance in view of the light vote in other sections of the township and the comparatively heavy balloting in Glencoe. But Tapper carried his home field by such a comfortable majority as to obliterate the chances of the Independent Ticket.

The estimated total vote on the justices tabulated prior to the final and official canvass follows:

Frederick R. Crossley	669
Jacob M. Dickinson, Jr.	674
Otto Falk	728
Daniel M. Mickey	795
George W. Tapper, Jr.	637
James R. Crocker	204

Without contest the following constables were elected:
Edward Cummings,
Thomas M. League,
Jacob Rudolph,
Peter Schildgen,
Joseph A. Sheppard.
Charles H. Hubbard was elected without opposition to the office of New Trier Township School Trustee,

his name appearing on the regular ticket.

LA GRANGE OPPOSES NEW TRIER'S DIAMOND SQUAD

New Trier High school's baseball team will play its initial league game of the season Saturday afternoon at New Trier field with La Grange of Lyons township.

The outlook for a New Trier victory is doubtful as the visitors have the advantage of experience, having been entered in the Suburban league race during the past several years.

However, with Webber receiving the offerings of Varney, Seibold or White, any of whom possesses the ability to hurl intelligently, the north shore nine should put up their celebrated New Trier scrap.

MAGISTRATE BACK AT POST

Police Magistrate Clark T. Northrop, who suffered a broken arm and minor injuries in an automobile accident in Wilmette several weeks ago, was back at his offices at 526 Center street this week. Magistrate Northrop still carries the injured arm in a sling but is able to direct the business of his offices.

Sun Parlor: 30x40 feet. The picture tells the story more graphically. It is airy, clean and sunlit. In the process of cleaning and sizing, the rugs are given a sunbath. A particular degree of warmth, a precise amount of sun are relied upon to bring out the original lustre and beauty of the fabric.

The knowledge how to keep Oriental rugs in perfect condition is very important. "A stitch in time saves nine" is peculiarly applicable to Oriental rugs, and ought not to be forgotten. If you notice a hole or a break, have it repaired. Owing to the irregular tension exerted on the warp in weaving, often the borders of the carpet curl under and elevations appear in the center of the rug, which have a tendency to damage the rug considerably, if not attended to at once.

The ideas of a great many people about the wear and proverbial durability of Oriental rugs are so strongly founded that they often overlook the fact that their valued specimens are subjected to all kinds of abuse and neglect.

NEVER BEAT AN ORIENTAL RUG. Any process of beating is harmful. Beating cannot eliminate the dirt, and its services go no further than deficient dusting.

Let us clean some of your rugs and you will wonder at their real glory and color. Our washing process not only removes the dirt, dust and spots, but restores the natural freshness of color, and gives you a rug that is THOROUGHLY CLEAN, CLEAR THROUGH.

Careful attention is given each rug as though it were the ONLY rug we had to clean. No machinery is used that will wear and tear the rug; no chemicals are used, but the purest soap obtainable; and proficient workmen are employed to do the work. The rug is returned to you thoroughly cleaned, perfectly sterilized, moth and germ proof.
