

### "A LEG TO MATCH" HOPE OF THIS GIRL

Little Marie Pawlaski, 8 Years of Age, Supports Tiny Sister Though She Must Use a Crutch

### GOING TO ARDEN SHORE

Rest Camp at Lake Bluff to Be Parade For Her—Fund Campaign Opens On May 1

Do you remember the story of Cinderella and the Fairy Godmother and how one little girl chose to go to the party because she wanted it more than anything else in the world? Of course nobody believes in fairies nowadays and little Marie Pawlaski is far too old for her 8 years and much too wise to believe in pumpkin chariots and magic wands. She hasn't even a wicked step-mother and if you asked her what she wanted most of all she would probably tell you, "another leg to match my good one."

**Found At Wash Tub**  
The United Charities found her standing on an inverted peach basket washing clothes for her little sister Avalon. Both children are motherless and when little Marie wasn't washing clothes she was carrying papers and garbage for the tenants of the apartment building where her Polish father is janitor. Now both Marie and her little sister are to be sent to live in the new "Cinderella Cottage" at the Arden Shore summer camp for mothers and children.

"Cinderella Cottage" has been made possible by the gift of Mr. and Mrs. E. A. Hamil of Lake Forest, whose donation of a new dormitory building for girls is the latest addition to the immense fresh air camp at Lake Bluff. Last year the directors of the Arden Shore home were faced with the difficulty in housing a group of orphaned children who were sent to the camp entirely on their own responsibility and unaccompanied by an older person. Often these had to be either sent back to the United Charities or placed under the care of one of the women in the camp, which presented further difficulties in the constantly shifting groups. "Boyville" solved the problem for boys of all ages, and now "Cinderella Cottage" will be the exclusive property of just such little girls as Marie, between the ages of 6 and 14.

**Instructor For Orphans**  
By the new arrangement a young woman instructor will supervise all the play of the little girls and instruct the smaller ones in kindergarten during the early hours of the morning. Lessons in folk dancing will be followed by tea parties of milk and cookies served on the bright green tables of the cook's kitchen, and in the afternoon there will be two wonderful hours of splashing in the waves—provided there are bathing suits to go around—and pails and shovels for the little Marias whose crutches get stuck in the sand. But last, and best as always, the cozy hours before bedtime when the most privileged smuggle up close to the big rough fireplace in the living room while Mother Anna Belle Ferrier—no one ever thinks of her as "superintendent"—fills the hour with stories of the princess fair and the far land. It is hard to believe that Mother Ferrier isn't a fairy god-mother—

**Drive Opens May 1**  
Mrs. Carl R. Latham, president of the board of directors of Arden Shore, has announced that the camp will launch a big financial drive to begin May 1. When the fairy god-mothers of the north shore are making their rounds, try and think what ten weeks of Arden Shore would mean to little Marie Pawlaski.

Miss Jean Richardson has discontinued the classes in children's dancing which she has been conducting throughout the winter at the Woman's club on Saturday afternoons until next October.

### IF YOU LOVE A BOY, VIEW THESE PICTURES

"Do you love a boy?" That is the question put by Col. Howard T. Noble, of Culver Military Academy, in announcing a very exceptional program of motion pictures depicting life at the famous boys' school, to be given at the Winnetka Woman's club on the evening of Tuesday, April 19, at 8 o'clock.

The pictures, explained by Colonel Noble, will portray realistically the sports and drills of cadets of the wadocraft, cavalry, artillery, naval and aviation departments of the summer schools at the academy, representing a wholesome, organized vacation for the boys, the boys you love.

On Friday evening, April 22, the North Shore Jewish Congregation will give a dinner at the Winnetka Woman's club for the children of the Sunday school. There will be covers for seventy guests.

Mrs. Frank R. Fuller and daughter, Phoebe, of Church road, are expected to return home on April 29, from Coronado Beach, Cal., where they have been passing the winter months.

### HAPPY REUNION IN ENGLAND

SHATTERED BY GRIM REAPER Ernest Pavey Arrives Among Friends Across the Seas to Find Death at Door

Ernest Pavey worked diligently through the long winter months anticipating, the while, that wonderful journey across the sea and the days and weeks of exquisite joy with his family, old friends and acquaintances in merry old England.

His wife and small daughter negotiated the journey last fall. They left Winnetka last October and were having a wonderful time visiting relatives and friends.

Early in March the man in the family cabled that he was on his way. The day of meeting on the other side of the Atlantic was to be Easter Monday.

Mr. Pavey stepped into the house that day to find—not the joyous reception, not the happy reunion, but—death. Grim death had claimed his life companion.

Mrs. Ernest Pavey passed away on Easter Sunday following a brief illness. The Paveys formerly resided at 474 Chestnut avenue.
