

### Another Way To Help Arden Shore Campers

Discarded Clothing and Household Articles Needed; Annual Fund Drive Launched This Week

Mrs. Bruce MacLeish of Glencoe is chairman of the Industrial department of the Arden Shore rest Camp at Lake Bluff. She is the purchaser of new equipment for the buildings and tents when necessity demands, and is forming groups of women and girls in the different villages to sew for the camp. Among other things they will make pajamas for the winter camp boys, little dresses for the girls and layettes for the tiny babies.

Mrs. MacLeish also superintends the collection of worn clothing and other discarded household articles along the north shore. The clothing is made over and mended by the women at the camp under the direction of a teacher who is a past master in the art. The sewing pavilion is on the beach, open to the sunshine and fresh air and is equipped with sewing machines, tables, etc.

Some of the special articles needed are an old set of the Book of Knowledge, for the boys of the winter camp who ask so many questions, baby buggies and cribs, high chairs

and, always, bathing suits and more bathing suits.

Anyone having articles to send to the camp is asked to call Mrs. Bruce MacLeish, phone Glencoe 186.

Arden Shore fund drive posters, made by the children of the public schools have been distributed throughout the village and the campaign started Monday, May 2. Mrs. J. J. Siddall, Jr., 1018 Lake avenue, is chairman of the drive in Wilmette.

### HEAR LEADING ARTISTS AT THIS AMPICO RECITAL

Serge Rachmaninoff and Erno Dohnanyi, the foremost living pianists on one program! Alfred Mirovitch, Mischa Levitski, Herbert Hyde, Leopold Godowsky as well. Never before in the history of Wilmette's musical activities have so many brilliant pianists appeared on the same program.

The Chickering Ampico recital at the Ouilmette Country club on the evening of Thursday, May 12, will afford opportunity to hear all of these distinguished artists.

From all indications there will be a record attendance at this novel musical. There will be no reserved seats so it will be advisable to come early.

# A Timely Stock --

HERE you will always find your needs anticipated. Just at the time you are beginning to think that the grass is a little long and you will have to buy a new lawn mower and that you need several new screens, perhaps a whole set before the hot weather starts, we get in our stock of them.

The finest screen wire made is the "PEARL" wire cloth. We have this for you, in any size or any quantity. With this type of screen repairs, painting and replacing become unnecessary for some time.

The most efficient lawn mower purchasable is the "Great American Pennsylvania". That is the one that we have in stock and that we so strongly recommend. You have been needing a new mower for years, the old one is rusty and stone bitten. Come in and look at them.

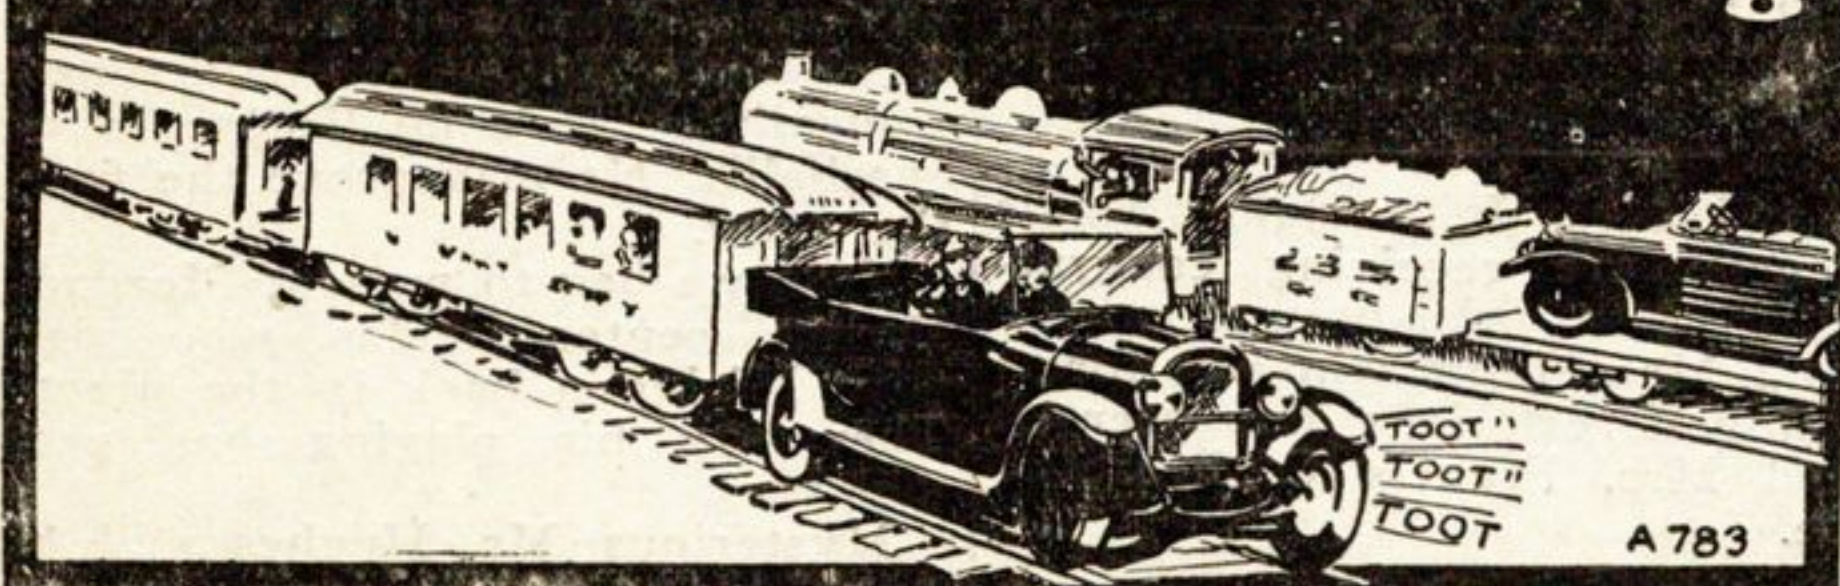

You know this store. It is an establishment where you can always be assured of a complete stock, courteous treatment and fair prices. A phone call delivers your order to your door.
