

WINNETKA PLAN BOOK WILL SOON BE READY

The Winnetka Plan Commission reports that the printing of the Winnetka Plan Book is well under way and that it will be ready for distribution to our citizens at an early date. The publication is being directed by Mr. Merritt Lum.

Over \$1,300 has been contributed by Winnetka residents toward the fund necessary to place the Winnetka Plan in every home in the village. At a recent meeting of the Village Hall committee, the building of the new Village Hall was considered and architects were authorized to prepare preliminary sketches and plans for carrying out the recommendations of the Plan Commission for the location of the Village Hall on Linden street, between Oak and Elm streets.

NEW TURBINE IN OPERATION

On Monday, May 16, the new 750 Kw. steam turbine which has been in process of installation for several months, was started up for the first time and operated very satisfactorily.

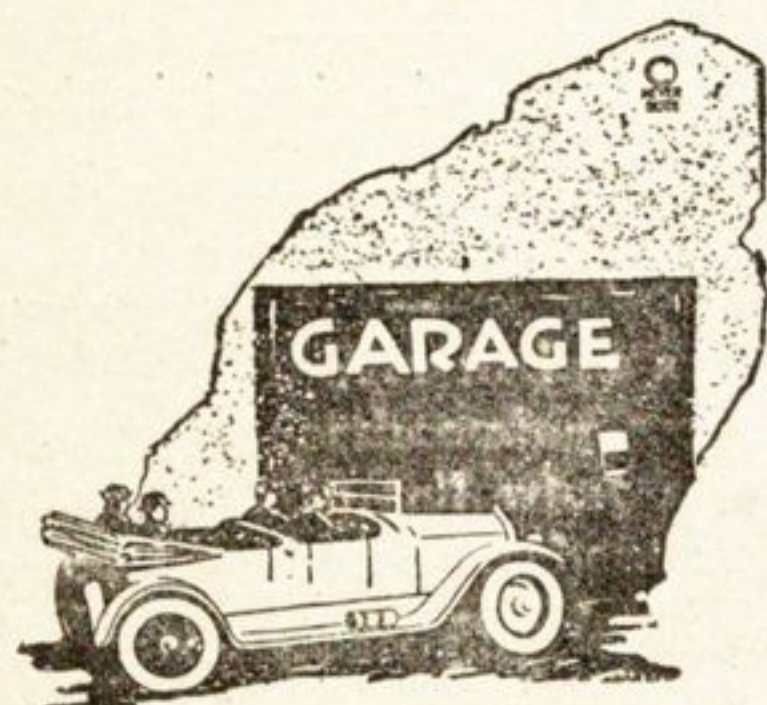

After the completion of minor adjustments, this turbine will be placed in continuous operation at the plant and will serve to decrease the fuel consumption as well as to provide additional reserve capacity to meet the growing demands of the community for electric service.

FIRE DESTROYS BARN

Fire this week destroyed a barn on the A. Lindman farm on Talman road. The Winnetka Fire department saved other buildings on the premises. A chimney fire at the home of W. P. Happ, 826 Spruce street, partially destroyed the roof of the structure.

COVER DUMPING GROUNDS

The old Winnetka Village, dumping grounds are to be rolled and covered so as to be made less unsightly, according to information from the Department of Public Works. Aftermath of clean-up, week as it were.

To Save the Courts the Voters Must Vote!

Vote for the Coalition Judicial Candidates

The names of the coalition candidates appear on the ballot in the democratic column, but it is a truly Non-Partisan ticket, overwhelmingly indorsed by the Chicago Bar Association and selected by the Independant Republicans and the Democrats who are opposed to the Thompson-Lundin organization. The coalition was effected so that this opposition should not be split.

The names of the Coalition Candidates and there party affiliations are as follows:
