TWELVE PAGES PRICE FIVE CENTS

BOOM H. R. RATHBONE AS NEXT CONGRESSMAN

Friends Urge Kenilworth Man to Run for Congressman-At-Large To Succeed William E. Mason, Deceased

NOMINATIONS IN APRIL

Has Excellent Record as Politician, Lawyer, Orator and War Worker; Held Logical Choice

Henry Riggs Rathbone, 312 Sheridan road, Kenilworth, known locally and nationally as one of the most earnest and hard-working republicans of the middle west, an orator of ability and a man of judgment and probity, is being urged by his friends to run for Congressman-at-large to succeed William E. Mason, deceased.

Nominations to this office will be made at the state-wide primaries to be held next April. Mr. Rathbone's many friends along the North Shore are hopeful that he will consent to run for the office.

Puritan Ancestry

Mr. Rathbone is descended of Puritan ancestry, who made their home in Connecticut and later removed to Albany, N. Y. His father was a prominent man during the civil war, and his father and mother were the guests of President Lincoln in the box at Ford's theatre at the time of the assassination, and his father was severely wounded by Booth, while endeavoring to protect the president.

Mr. Rathbone was born in Washington, D. C., where he lived the first nine years of his life, and then spent three years in France with his parents. After returning to this country he attended Phillips' academy at Andover, Mass. He completed the regular academic course at Yale with honors in 1892 and took up the study of law at the Albany Law School. He completed his law course at the University of Wisconsin and was admitted to practice in 1895. He has resided in Cook County since that time.

Mr. Rathbone is a practitioner before the Supreme Court of the United States and has been entrusted with important litigation in the courts of this country from New York to San Francisco. His trial work is especially well known in the states of Illinois, Michigan, Indiana and Wisconsin.

Authority on Law

He is a former president of the Lawyers' Association of Illinois, a lecturer in the John Marshall Law School of Chicago, and an authority on Constitutional law. He is a member of the American, Illinois and Chicago Bar associations.

For many years the demand for Mr. Rathbone as a public speaker has been growing and he is today recognized as one of the foremost orators of the country.

In politics Mr. Rathbone has always been a Republican and has been active in every campaign for the last twenty-five years.

In executive and administrative offices he has also shown marked ability. From May, 1916, to May, 1917, he was president of the Hamilton club of Chicago, concededly the leading Republican club of the country. His election was unanimous, a thing that had occurred but once in the history of the club. His efforts in unifying and harmonizing all elements in the party met with great success and approval.

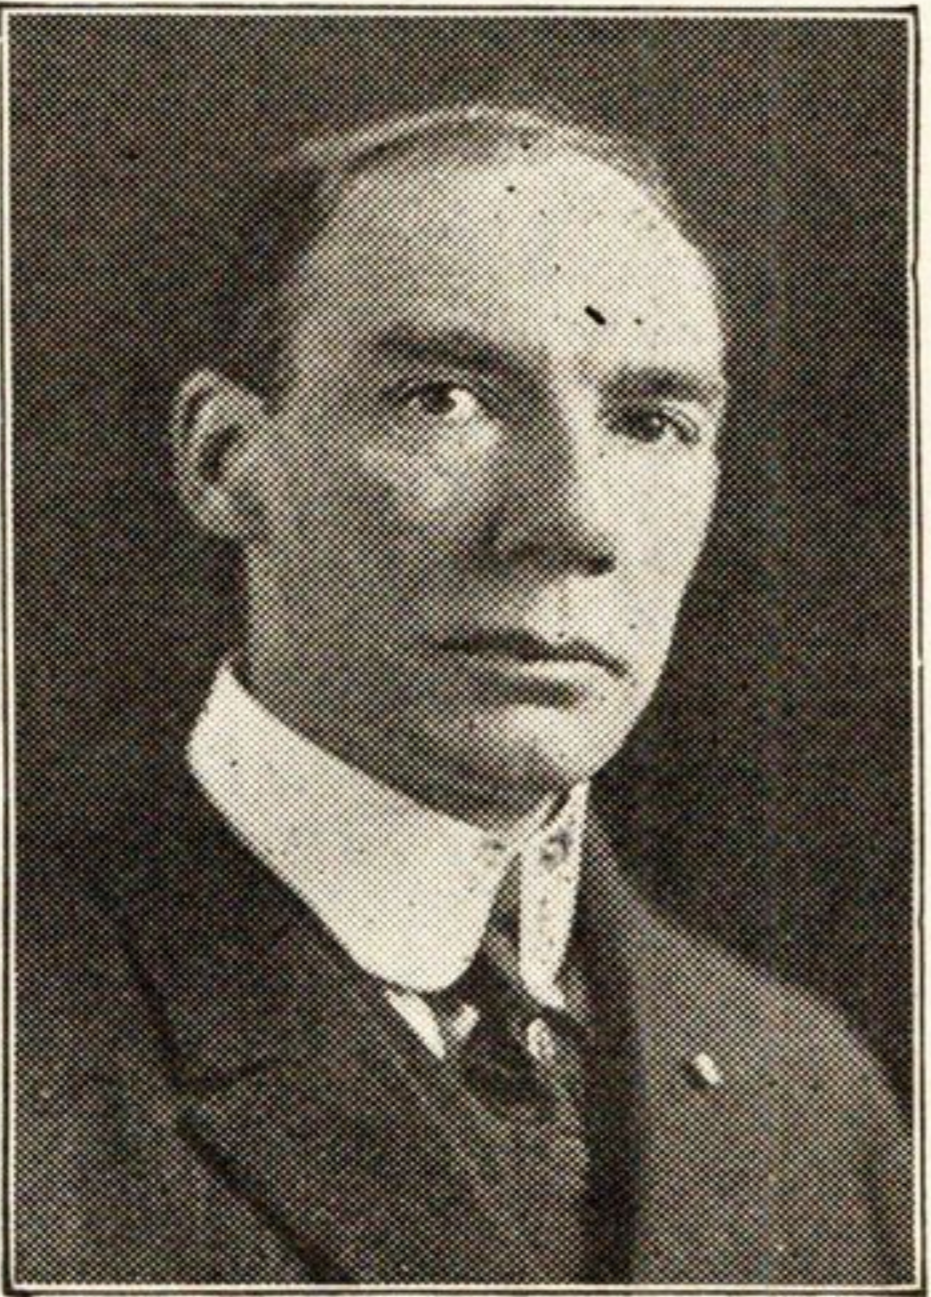

Mr. Rathbone was selected as the champion of Chicago to present its claims to the Republican National Committee in endeavoring to secure the convention in 1915, and he was largely responsible for securing it. During the presidential campaign in 1916 he personally conducted a training school for public speakers.

In Patriotic Work

During the world war Mr. Rathbone devoted practically his entire time to patriotic work. In 1917, as chairman of a special committee of the Chicago Bar association, he drafted a report which was unanimously adopted, recommending certain lines of activity to be pursued by the lawyers in connection with the war. He was thereupon appointed chairman of the war committee of the Chicago Bar association and was very successful in this position.

For a number of years Mr. Rathbone has been active in various lines of civic and philanthropic work. He was chairman of the Mississippi Valley committee of the Chicago Association of Commerce, and a member of the Lawyers' Legislative, and Illinois committees of that association.

Urged To Succeed William E. Mason In Congress Post

Henry Riggs Rathbone

Mr. Rathbone of Kenilworth is being urged by his friends to stand for the office of Congressman-at-large to succeed William E. Mason, deceased, subject to the primaries next April.

Triangles Annex Win; Wheeling the Victim

Winnetka Aggregation Annexes Twenty Hits for Total of 18 Runs While Wheeling Does Just Nothing

Winnetka Triangles broke their losing streak Sunday afternoon by blanking Wheeling 18 to 0. Knox, Triangle hurler, struck out ten men and permitted but four scattered hits.

Wheeling threatened once during the entire pastime when, with one out in the sixth frame, Knox walked Davis, Utipadel slammed a clean single over second and Mulligan was hit clogging the bases. At this juncture Knox fanned one and the next batter tapped feebly to Deily who got Mulligan at the keystone sack.

The Triangles played sensational ball behind Knox making only one error, and handling several chances that would have gone for clean hits except for wonderful fielding. They also went on a hitting rampage getting twenty hits, three of which were three baggers and five two baggers. Deily led the hitting with two three baggers a two bagger and a single in six times at bat, he unloaded a three base hit with three men on base in the second and rode home a moment later on a double by Baily. Gutekunst also socked a three bagger with men on base in the fourth.

Next Sunday Winnetka will travel to Shermerville and are determined win.

BORROW A CAR FOR THAT TRIP WHEN YOUR'S QUITS

What is characterized as "a service never before attempted" has been placed at the call of motorists in New Trier Township by the Winnetka Motor Company, 562 Lincoln avenue, by which automobilists may borrow cars while their own machines are undergoing repairs.

"It works out like this," according to W. T. Wehrstedt, proprietor of the Winnetka Motor Company. "Suppose you strip a gear, break a pinion or your car is rendered unrunable in any respect—bring the car to the Winnetka Motor Company and accept the loan of an Overland Four car. You won't have to give up that tour or vacation jaunt with this service at your beck and call."

BUILDING STILL BOOMS: ISSUE \$40,000 PERMITS

Building of homes continues on the boom in Winnetka with the Department of Public Works issuing permits this week approximating \$40,000 in valuation.

Max Stein, 1236 Asbury avenue, received a permit to erect a \$17,000 residence. Other permits were granted Lawrence Bowes, \$7,000 residence at 1228 Asbury avenue; Ulricka Anderson, 1034 Pine street, \$6,000, residence; Peter Smith, 511 Provident avenue, \$900 addition to residence.

Hooray, Soda and Pop Take Five Cent Drop

Adams' Pharmacy Sets Example to Other Drink Emporiums by Giving Old High Costa a Jolt

Alva Lee Adams, druggist, soda fountain and cigar stand supervisor, known to every man, woman and child in Winnetka and other parts nearby, has come out with the encouraging information that the price of sodas, ice cream sundaes, etc., has dropped to the lyric of five cents.

Right now you may slip into the corner drug store just west of the Elm street station, otherwise known as Adams' Pharmacy, and partake of a variety of beverages, all soft and mild, sodas and sundaes, and enjoy yourself in the knowledge that old man High-Costa has received the final wallop.

Other ice cream emporiums in the village are expected soon to follow the lead of the Adams Pharmacy.

The C. E. Rennekar Drug Company of Wilmette, and the Village Chocolate Shop, conducted by the famous John Pappajohn, in the Wilmette Village Theatre building also have reduced the price of sodas and sundaes.

Business Men Meet To Plan Big Outing

Every Merchant in the Township Invited and Urged to Attend Meeting at Wilmette

Members of the New Trier Commercial Association and all business men of the township are invited to a meeting Monday evening, July 18, at the Village Hall, Wilmette, to discuss plans for the annual New Trier Day outing.

New Trier Day has been for several years the most important event among the business and townspeople of the north shore, being observed, generally, by a picnic or outing, preceded by a parade with prizes offered for the most effectively decorated floats and automobiles.

Every business man in the township is invited and urged to attend the meeting Monday evening, as the planning of this great event is of vital interest to every merchant in New Trier. The meeting is scheduled for 8 o'clock.

NEW RATES IN EFFECT ON NORTH SHORE ELECTRIC

By order of the Interstate Commerce commission rates on the Chicago North Shore and Milwaukee railroad were increased one cent per mile starting Friday. No increase is being made on the regular monthly ticket.

The ticket fare which was formerly two cents per mile is now three. Cash fares have been raised from three cents per mile to three and sixteenth cents. The monthly ticket which is figured at the rate of one and a half cents per mile has not been affected. A slight raise has been made on the 25 ride ticket of 1.84 cents, this ticket not being figured at 2 1/2 cents per mile, there is no tax on tickets under 30 miles.

BUSINESS, PLEASURE TRIP

Harold Eucalyptus McNeal of the Motor Equipment Sale Company, 2 Prouty Court, will leave Winnetka late next week on a combined business and pleasure trip in the east. He will return to the Village a week later accompanied by Mrs. McNeal and their small daughter who have been spending a month visiting Mrs. McNeal's parents in Buffalo.

A Substantial Reduction in Printing Prices

The Lake Shore Publishing Co. is pleased to announce that through its policy of conducting an open shop it is now in a position to make a substantial reduction in the price of printing.

This reduction, which is in effect now, means a saving of 25% of the cost of printing four months ago. In addition paper costs are down, in some cases comparing favorably with pre-war prices.

We are equipped to handle anything you may need in the printing line.

Lake Shore Publishing Co.

"Wild Ducks And There Manners" Court Discussion

Boys in the Benjamin P. Kiefer household, 1301 Asbury avenue, raise wild ducks, training them the while to assist as decoys in the annual fall hunting season in the Fox river country.

But, Ralph M. Snyder, 1311 Asbury avenue, next door neighbor of the Kiefers, is disturbed by the representation of the family Antidae and has made public protest via the police and Magistrate Northrop, declaring that the ducks, with their quackings, are a source of annoyance to the Snyder's during the waking hours, and a most disturbing factor in the wee sma' hours long after the clock has struck the hour of retiring.

The matter was to have been threshed out last Saturday but was continued until today at 4 o'clock at which time the potential decoys will come up for considerable heated discussion.

Ducks only quack loudly and continuously during hatching time, say the Kiefers. They quack continuously all the time, says Snyder.

Those ducks are the best behaved in the village, announce the Kiefers. I'd hate to be living near the ill-behaved ones then, comes back Snyder.

Magistrate Northrop's court is well-ventilated and most invitingly arranged. Seats are free. Most of us have Saturday afternoon off, too.

Garden Market Aids Near East Sufferers

Saturday Morning Market Opens Today at Community Parkway; Residents Asked to Help Cause

At 9 o'clock this morning will be opened the Saturday Morning Market at Community House Parkway, where the surplus of the gardens of the village, donated for the cause, will be sold to help feed the starving children of Europe. The entire proceeds from the sale will be directed to Near East Relief, Winnetka residents who have gardens are asked to bring garden stuffs and flowers to this market at Community House. Information concerning the market may be had by calling Mrs. Douglas Smith, Winnetka 58.

The Saturday Morning Market project will continue to be a source of "revenue" for Near East Relief until the garden supply is exhausted.

Women assisting Mrs. Smith in conducting the market include Mrs. Ralph Hamil, Mrs. John R. Montgomery, Mrs. L. Harrison Mettler, Mrs. Hermon Butler, Mrs. Rudolph Matz, Mrs. Ernest Ballard.

SEEK COMFORTABLE HOMES FOR WINNETKA TEACHERS

"Teachers in the Winnetka Public schools will need good, comfortable homes during the coming school year," according to leaders of the Winnetka Parent-Teacher association who are interested in finding congenial living quarters for them in the village.

"If we want the best instruction for our children," reads a communication to the "Talk," "we must give the teachers the best homes possible. The residents of Winnetka are urged to consider this matter earnestly and those who find that they can take care of one or more teachers are requested to telephone Mrs. Barret Conway, Winnetka 616, as soon as possible in order that agreeable arrangements may be made before the teachers arrive in the autumn."

RICHARDS PREACHES SUNDAY

Rev. James Austin Richards, pastor of the Winnetka Congregational church will have charge of the services Sunday morning, July 17. Rev. Richards returned today from two weeks' stay in California where he attended the National Council of Congregational Churches. The Rev. Allen Hoben, of Carlton College, occupied the pulpit in Mr. Richards' absence.

FAIR TENNIS STARS

Bobs Waidner and Margaret De Lay, Winnetka New Trier High school girls, took first and second honors respectively in the recent New Trier High School Tennis championships.

ASK FUNDS HERE FOR EVANSTON HOSPITAL

Winnetka Woman's Club Hospital Fund Committee Directs Letter to Winnetka Asking Contribution of \$1,000

EXPLAIN MANY BENEFITS

Point Out That Winnetka is Dependent Upon Evanston Hospital in Time of Distress

The Evanston Hospital at this season of the year is the particular object of interest among the members of the Winnetka Woman's club, which is conducting a campaign to swell the funds of that north shore institution.

"The Winnetka Woman's club," reads a letter sent out by Mrs. James Houghteling, chairman, Hospital Fund committee of Winnetka Woman's club, "wishes to call attention to the needs of the Evanston Hospital which is just completing additional buildings made necessary by the growth and development of its work. During the epidemic of influenza in 1918 the question of establishing a hospital in Winnetka was taken under consideration, but after thorough investigation, it was decided that, in view of the great expense of equipment and maintenance, the plan was impracticable, and it was abandoned.

"The fact that Winnetka is dependent upon the hospitals already in operation in Evanston emphasizes these institutions. It is therefore earnestly hoped that a contribution of \$1,000 may be sent by the people of Winnetka to the Evanston hospital at this time, to be used in furnishing some of the rooms in its new building. Contributions of two dollars or more will be gratefully received and may be sent to Mrs. Stephen Foster, 517 Cherry street.

Everyone Concerned

"The above letter," writes Mrs. W. A. Otis, "especially deserves attention owing to the fact that every one is liable to need the care which the Evanston hospital can bestow on its good neighbors, in the fact many of us from Winnetka have experienced that we have been welcomed at the institution quite as cordially as the residents of Evanston itself, which town has built and helped support the establishment.

"In the case of contagious disease, when not only the safety of the patient but those surrounding him is concerned, where could we fly for help and shelter if not to the Evanston hospital?

"When our babies come into the world where, near at hand, can they have the wholesome welcome and care that they do at the Evanston hospital?

"In the case of an accident where can a short journey, with the minimum of danger to the patient, take him to such skill and treatment as he will find in the Evanston hospital?

"It is the same when it comes to a matter of operations, often unexpected and suddenly required.

"And without the Evanston hospital the Winnetka Relief and Aid would hardly know how to exist and solve some of the hardest problems which come to it. The patients of the association are not taken free of charge, but are given special rates when registered through the organization.

Matter of Necessity

"In raising the money to furnish these rooms we are not entitled to any special claim upon them but in making more rooms available we are not as liable, upon application, to run up against the reply 'we have no room for a single patient more.'

"So not for altruistic reasons, not to help Evanston, but our own elves in time of trouble and sickness, let us for purely selfish, if for no other reasons, subscribe either in large or small sums to this fund which Winnetka is trying to raise for this hospital, ever our 'very present help in trouble.'"

ATTRACTION AT SKOKIE CLUB

Saturday and Sunday will attract many members and their guests to the Skokie Country club where on Saturday evening will be shown motion pictures featuring Charles Ray in "Scrap Iron". The pictures will be shown out-of-doors, weather permitting. On Sunday afternoon at 5 o'clock will be given a musicale with Helen Abbott Byfield and Marion Chase Schaeffer as the artists.
