PLANS are well under way for the Children's Carnival to be held at Ravinia Park on Thursday afternoon, July 28, and it is the earnest hope of the Ravinia Club that the North Shore towns will take an active interest in the affair, a most necessary thing, in order to make the day as great a success as last year. It is to be a Mother Goose Story Book Carnival, under the direction of Miss Bertha Isles, and each town is to represent some particular story or rhyme from Mother Goose. See your town chairman, Mrs. Chester Sargent, or Mrs. Frank R. Greene, acting president of the Ravinia club, immediately for any and all information regarding this delightful carnival, and the sort of costumes which will be needed.

The program for the Children's Concert next Thursday afternoon will include an Interpretation of the Instrumental Numbers by Mr. and Mrs. Marx Oberndorfer, and several numbers by the Chicago Symphony orchestra, followed by Mr. Harry K. McEvoy, a magician of note, who is certain to highly amuse the youngsters.

If you have any unused tickets to dispose of, notify Mrs. Brown and she will see that your tickets are given to folks who will use them, such as members of the Young Woman's Christian Association, the Y. M. C. A. soldiers, and college or music students.

Winnetka is to have a flower and vegetable market this morning on the spacious lawn surrounding Community House, the entire proceeds of which will go to the Near East Relief fund. It is hoped to raise about \$1,000 for the village share toward the \$50,000 still needed to complete Chicago and its suburbs' quota of \$600,000 for this worthy cause.

Mrs. Douglas Smith, Mrs. Hermon Butler, Mrs. John Montgomery, Mrs. L. Harrison Mettler and Mrs. Ralph C. Hamill are among those interested in the success of the affair.

There will be an informal dance at Indian Hill Golf club this evening. A Buffet supper will be served preceding the dancing.

Numerous affairs have been given during the past week in honor of Miss Betty Copeland, and her guest, Miss Louisa May Alcott Pratt of Concord, Mass., and the subdebs who are the guests of Miss Alice DeWindt and Miss Margaret Boyden. On Friday, July 22, one of the annual box luncheons will be held at Arden Shore, the camp at Lake Bluff where five hundred mothers and children from Chicago's congested districts are having the time of their lives, splashing in the lake, playing and resting in the shade, enjoying the cool breezes and all the good times at this most wonderful of all open air camps.

Visitors are welcome at any time but on the twenty-second of this month, there is a special invitation to everyone, old and young, big and small. Just take your lunch and enjoy a day at this beautiful place that is our helping to support. The Milwaukee Electric has a station at the entrance to the camp, which is on Sheridan road, a little north of Lake Bluff.

The North Shore is intensely interested in the success of the world's championship cowboy contest which will be held in Grant Park from July 16 to 24. The show is being organized by groups of Chicago and north shore society women to swell the coffers of the Illinois Children's Home and Aid society. The charity to be benefited is one of the most appealing in the state, aiming to provide homes for children in need of such. The society has three homes—one in Duquoin, Ill., to take care of the children in the extreme southern part of the state, a training school

for older girls at Patomac and a receiving home right here in Evanston. The past year more than 3,000 children who would otherwise have been deprived of proper homes have been served. In some cases where the need is only temporary the child is returned to the parents, in other cases a permanent home is provided, thus preserving the child from becoming "institutionalized." The society is greatly in need of funds to carry on the work of the home and what could be more thrilling than a western cowboy engaged in his favorite pastime. Remember any afternoon or evening next week if you go to Grant Park you will get your money's worth of excitement and aid a worthy cause.

Weather permitting Skokie Country club will hold its moving picture show out of doors, this evening. "Scrap Iron," featuring Charles Ray, is the picture to be presented.

Tomorrow afternoon, at five o'clock, there will be another of the delightful Sunday musical programs. Helen Abbott Byfield, and Marion Chase Schaeffer will be the artists on this occasion.

Mrs. Preston Boyden and Miss Mary Rend have departed to join Mrs. Boyden's sister, Miss Elizabeth Chase, at the H.-F.-Bar ranch in Wyoming.
