

HORTICULTURAL SHOW COMES THIS WEEK-END

Show Held Under Auspices of North Shore Horticultural Society, July 23 and 24

The mid-summer flower show which has been a yearly event since 1907, is to be held under the auspices of the North Shore Horticulture society and the Garden club of Illinois Saturday and Sunday, July 23 and 24, at the Gorton school, Lake Forest. The privilege of seeing four estates, those of Mr. Harold McCormick, Mr. Cyrus McCormick, Mr. Edward Ryerson, and Mr. Keen Addington, is offered, the proceeds of the shows, after expenses are paid, to be used for civic improvement.

Most of the large and small estates send exhibits from especially fine grown vegetables to large greenhouse displays. J. Ogden Armour and Louis Swift are among the exhibitors. A flag displayed at the entrance drive will designate the places that are open. The gardens of these places are of varied type, the most prominent of which are

formal Italian, informal English, and stone wall.

Tickets may be obtained at the Gorton school, a short distance from the Chicago and Northwestern railroad. Guides will be in attendance to explain the exhibits.

The committee in charge consists of Mrs. Walter Brewster, Mrs. Albert Sprague, Mrs. Augustus Carpenter, and Mrs. Charles H. Schweppe.

Man, Too, Is Vain.

A man's vainest point is his neckties, while a woman's is her hair, says a man who has made a study of the matter. On spring days when business is slow he sometimes steps outside of his store and watches the passersby who stop and look at themselves in a mirror in his window. "I have noticed that a man will invariably adjust his necktie while a woman will always fix her hair," he says. "No one can tell me that a woman is more vain than a man, either. Just as many men look in that mirror as women."—Milwaukee Journal.
