OPEN NEW BAPTIST CHURCH EARLY IN SEPTEMBER, PLAN

Members of the Wilmette Baptist church are making plans for a real jubilee early in September when the new church edifice at Wilmette and Forest avenues will be opened for the church services, at present conducted in Brown Hall.

Meanwhile the church has hit upon the expedient of avoiding, as much as possible, the intense heat by holding the mid-week services in a corner of the new building.

Mr. and Mrs. Charles S. Ostrom of 1025 Linden avenue, and Miss Margaret Stattman of 1039 Linden avenue, have planned a sailing trip along the shore of Lake Michigan on the yacht, "Vanadis", for this weekend.

OFFICIALS HERE SEEK BETTER TRAIN SERVICE

Winnetka's Village officials have taken up the request of local residents for improved service on the Chicago and Northwestern Railway in the early afternoon hours. At present there are no north bound trains stopping at Winnetka between 12:30 and 2:20, intervening trains that previously stopped in the village having been cancelled on the schedule.

Village officials have been in communication with railroad officials and are expecting favorable action soon to remedy the situation.

BODDIE HOME SOLD

Palmer and Wisdom, Winnetka real estate operators, announce the sale of the J. T. Boddie residence at 848 North avenue for a reported consideration of \$45,000.

BUILDING PERMITS

Building permits issued this week by the Village Department of Public Works included a \$300 garage for F. G. Modine, 1036 Oak avenue, and an \$8,000 residence at 968 Pine street, for Peter McDonald.

This Echo Sixty-Repeater.

A large room in the castle of Simona, near Milan, has a remarkable echo. A pistol shot is reverberated sixty times.

TO HEAR NOTED PREACHER

Many north shore church-goers are interested in the announcement that Dr. G. Campbell Morgan, for many years pastor at Westminster Chapel, London, will preach at the First Presbyterian church of Lake Forest, Sunday, July 24, in the morning at 11 o'clock and again in the evening at 8 o'clock.

Popular Prices From Now On

Starting now, we are operating this restaurant on an entirely new policy. We have installed a modern lunch counter where the man who must eat and run may be served well and quickly, and have reduced all prices in accordance with the trend of food costs. Breakfast, a new departure for us, will be served, and many a man who has been forced to wait for his morning coffee until he struck the loop will be able to satisfy his appetite here.

Breakfast

Promptly at 6 A. M. Good coffee, made in small patent pots, the home way, instead of in the urns. Fresh fruit in season, served ripe and cold. Fresh eggs, flaky toast and rolls. With the prices right.

Luncheon

From 11:30 to 2, we will serve a delicious plate luncheon, consisting of meat, potatoes, vegetable, coffee, tea or milk, and dessert. Short orders will be served all day. You will like this noon-day meal.

Dinner

A regular table d'hote dinner will be served from 6 to 8, including everything that goes to make up a delicious meal, for the low price of 60c. You can not find a better dinner for the price on the north shore.

Our aim is to have a clean place to eat for everyone that may have occasion to eat in Winnetka. The lunch counter is a concession to the man in a hurry, and to the man that is working hard and has no opportunity of dressing himself up. The same quality of service and food that has always been the rule here will be continued.
