NORTH SHORE REALTOR HURT AS AUTOMOBILE OVERTURNS

George E. Orr, Glencoe resident and member of a large Chicago and north shore real estate firm, was the victim of an automobile accident on July 22, according to word received this week from the Modesto Herald, Modesto, Cal., where Mr. Orr is spending the summer.

Orr, who has been stopping at the Modesto hotel, was returning by automobile from a business trip to San Jose when his car was crowded off a road by heavy traffic near Modesto. The car overturned pinning Orr under the body in such a position he was unable to extricate himself. Passing motorists came to the rescue and took the injured man to the Modesto hotel. He sustained a fractured collar bone, several broken ribs and suffered severe shock.
