

**TOWNSHIP ROAD WORK
IMPORTANT SERVICE**

(Continued from Page 1)

of permanent work on all township roads, a step which soon may be found to be advisable as an economy measure in view of the constantly increasing heavy traffic over the country roads.

Ditch Cleaning Underway

Ditch cleaning is another important feature of road work in New Trier Township. This work has been progressing satisfactorily and the end of the working season will find all the drainage ditches recleaned and in shape for the winter season of snow and rain.

Too much importance cannot be attached to the patrol work on Township highways. This work alone takes the greater portion of the road funds and is essential to insure having the highways in permanent repair.

The Highway Commissioner this year struck a good bargain in obtaining the use of two automobile trucks, rented from the state at \$100 each for

a period of one year. These trucks have been utilized in the hauling of gravel and other material and have served to materially curtail expenses.

Finances in the Highways department of the Township government are reported in excellent condition by Commissioner Sherer who is of the opinion that, while it is expected road taxes will be lowered next year, it will be possible for the road work to be carried on as usual.

ACES IN FLYING CIRCUS

Altitude trials, parachute drops and a spectacular aerial derby, participated in by Eddie Rickenbacher, William Furlow, Edgar Tobin and other famous aviators, will be included in a flying circus to be held during the third annual convention of the American Legion at Kansas City October 31 to November 2.

**Holland Furnace Company Branches
are Permanent**

The users of the Holland Furnace with their whole-hearted appreciation and praise, deserve most credit for the continued increase of Holland Sales. This mouth to mouth comment is significant of Holland value as well as highly pleasing.

Nearly everyone talks about the Holland. The talking that some of our competitors do might be called "knocking", at times, but that pleases us too, for we know that if we were to knock a competing product, it would be taken as a sure sign that we recognized it to be superior to our own. How clearly a salesman shows his weakness and fear of competition when he knocks! How plainly he points to the furnace he knocks as the furnace he fears and wishes he was selling!

Yes, we feel that the Holland is a recognized leader. We enjoy all that is being said about the Holland Warm Air Circulating System, ourselves, and urge you to give careful attention to whatever you may learn by word of mouth, no matter who should do the speaking. We'll gladly leave it to your sense of fairness to be judge.

Whenever we can be of service, or should you wish information without being obligated in the least, call phone number, Winnetka 1030.

Complete Service for the Motorist

REPAIRS

You may bring your car here for **any** needed repair, sure that it will be done well. An expert electrical and ignition man forms a department in itself.

TIRES

A full line of tires, all sizes and makes, with the HYDRO-TORON as a leader. This tire is guaranteed for 10,000 miles against blow-out or rim cut.

Overland
MOTOR CARS

Roadster, Coupe, Touring and Sedan, small payment down with the balance on easy payments.

LOAN SERVICE

We have installed a system whereby you may have the use of an OVERLAND FOUR while your own car is in the shop being repaired or painted.

GENERAL ACCESSORIES

All our accessories, and our stock is a complete one, are of standard grade and price. The list is headed by the wonderful AUTOMATIC STEAM CARBURETOR, a device that simultaneously increases power and speed and decreases gasoline consumption.

STORAGE

Our storage space is clean and convenient. When you drive in your fenders are safe, and your car is safe from fire and thieves.

PAINT

A complete paint shop, as efficient as any in Chicago is here at your service. Re-varnishing, renickeling, or entire repainting jobs are quickly done, done right.

BATTERY SERVICE

We charge batteries, and loan them. Our charging machine is well watched and the batteries are returned to you in the best possible condition.

Terillus
KNIGHT
MOTOR CARS

The car with the sleeve valve motor. Small down payment with deferred future payments easily arranged.
