

INAUGURATE DRAMATIC SEASON OCT. 14 AND 15

North Shore Players Now in Rehearsal For Three One-Act Performances To Be Given On Those Days

The Wilmette Woman's club will be the scene, Friday and Saturday, October 14 and 15, the time of the formal opening of the amateur dramatic season on the north shore when the North Shore Players will present three one-act plays which promise to be of exceptional interest to New Trier play-goers.

"Where But in America?", "The Storm", and "The Potboilers" are the vehicles to be offered by the amateur stars in the opening performance rehearsals for which are now well underway.

The players, headed by Ralph Bellamy, celebrated amateur star, are interested in the so-called Little Theater Movement which has as its purpose the presentation of wholesome, worthwhile plays designed to offset the modern tendency in the theaters toward cheap, trashy shows which have turned the play-going public from its former attachment to genuine dramatic art.

Cast of Artists

Every member of the players cast is an artist in his own name, all having achieved distinction in amateur dramatic circles, and several having won renown in the ranks of the professionals.

Under the expert direction of Ellsworth Taylor, who recently completed a course in that special work, the following artists are appearing in the casts: Miss Gloria Chandler, Miss Elizabeth Duffy, Miss Catherine Crush, Miss Mary Ricksen, Ralph Bellamy, Gordon Canning, Harlan Ware, Jack Gibson and Everett Fox.

GIRLS RAISE FUNDS FOR NEW TRIER SCHOLARSHIP

Members of the New Trier Township High school Girls' Club devised an ingenious money-raising scheme at the opening of school a fortnight ago when they maintained a sandwich and coffee booth during the registration period.

One hundred dollars was netted for the Club fund which, when it reaches the three hundred dollar mark, will go toward a Scholarship Fund the club is planning to establish.

AIR RIFLE SHOT STRIKES BOY'S EYELID, MISSES EYE

Twelve year old Willis Littell, son of Mr. and Mrs. C. G. Littell, 322 Woodstock avenue, Kenilworth, had a miraculous escape from serious injury Tuesday evening when a shot from an air rifle in the hands of a playmate struck his eyelid just grazing the eyeball.

An X-ray examination Wednesday disclosed no injury and that the shot had not lodged in the boy's head.

Announcement is made of the marriage on Wednesday evening, September 28, of the marriage of Miss Mary Ricksen, daughter of Mr. and Mrs. Robert E. Ricksen of Wilmette, to Mr. Richard W. Goodspeed.

Paul B. Goble Makes Trip from Winnetka to Boston to Enter Massachusetts College

When Paul B. Goble, 511 Ash street, went to school at the Massachusetts Institute of Technology this month, he ignored the comforts attendant upon Pullman travel but negotiated the route, instead, on his trusty Henderson motorcycle.

The trip from Winnetka to Boston was completed almost without mishap over some of the finest roads in the United States. The course lay over roads connecting Chicago, Indianapolis, Columbus, Wheeling, Philadelphia, New York and Boston.

Goble's baggage was hung over the back wheel and at the sides of the machine in a carrier provided for the purpose. Most of the journey was over the Old National Trail route.

CHARITY BRIDGE PARTY

A Charity Bridge party is to be given at the home of Mrs. Lorenzo Johnson on Sheridan Road, Thursday afternoon, October 13, at 2 o'clock. The party is being given for the benefit of Ridge Farm where undernourished children of Chicago's tenements are given a chance to regain health and vigor. All the women of the village are invited to attend the party and aid in the worthy cause.

Mrs. G. F. Gonsalves, 635 Rosewood avenue, left Thursday evening for Franklin, Ind., for a week's visit with her mother, Mrs. Lydia Brown.
