

**EXPECT EARLY HEARING ON  
VILLAGE ZONING ORDINANCE**

The Winnetka Zoning Commission held its first meeting since June Thursday evening, September 29, at the Village hall. Hope was expressed at the meeting that the Village Zoning ordinance would be in shape for a public hearing early in October. Zoning work in Winnetka, it was explained, has been delayed in order to take advantage of the new state Zoning law which was effective beginning July 1, 1921, and which eliminates a large amount of the technical procedure required by the old law. Eugene Rummel, 965 Spruce street, a former Village President, is chairman of the Zoning Commission.

**QUARTET AUGMENTS WORK  
OF CONGREGATIONAL CHOIR**

Sunday morning at the Winnetka Congregational church the new quartet will assist in the worship for the first time singing two anthems, "Praise the Lord", by Randegger, and "What of the Night", by Thompson. The quartet will in no way take the place of the volunteer girls' choir. It represents an advance and not a substitution in the musical service of the church. The place of the choir, it is explained, will be more rather than less for it will presently be called upon to do chorus work in support of the quartet.

**HEEDS "CALL OF WILD"  
CHUM BROKEN HEARTED**

The baby son of Jacob Wirtz, 3616 Lake Park avenue, Chicago, is broken hearted. All because "Nellie", his constant companion is missing. "Nellie", according to word received by the Winnetka police, leaped from a car while the Wirtz family was driving through Hubbard Woods Sunday afternoon, and, disregarding calls from its owner, answered the "call of the wild" and hasn't been seen since. "Nellie" is described as a black and tan dog.

**AWAY ON SCHOOL MISSION**

Superintendent Washburne of the Winnetka Public Schools, returned from New York City Wednesday of this week after several days' conference at the Teachers' college, Columbia University. Mr. Washburne went east for the purpose of holding a consultation with members of the faculty of the Teachers' college in regard to some work the Winnetka teachers are doing in co-operation with them on the reorganization of History and Geography teaching on a scientific basis.

**HEAR INDIAN PRINCESS**

Princess Neowanna, a full-blooded Indian, who has established a reputation as an excellent speaker and interpreter of native Indian customs and manner, will speak at New Trier High school Wednesday afternoon, October 5, at 3:15 o'clock. All residents of the village are invited to hear this interesting talk. The lecture will be for the benefit of the High school Girls' club Scholarship Fund which now is at the \$100 mark.
