

Woman's Club

The first regular meeting of the Winnetka Woman's club for the new year was held Thursday afternoon, October 6, with the president, Mrs. George W. Gordon, in the chair.

The work of the club has been going on during the summer through the various committees. Mrs. Gordon spoke of the excellent work of the Fourth of July committee with Mrs. Suker, chairman.

The Hospital Fund committee, Mrs. James Houghteling, chairman, has raised \$892 for the Evanston hospital. In addition to this sum one member of the club has given \$300 to furnish the sun parlor in the new tower, and another member will furnish the reception room.

The following announcements were made:

The next regular meeting will be October 20, under the direction of the Music committee. Mrs. Burton Atwood and Mrs. Agatha Haenel will give a recital.

Two performances of the play "The Marionettes", will be given at the club on the afternoon and evening of November 2.

Mrs. Lieber's classes in Parliamentary Law and in Public Speaking will begin next week.

Mr. Georges Cauuet will also begin his classes next week in French Literature and French Conversation.

A Japanese program is to be given on the evening of December 5, which promises to be very unusual and interesting.

The House committee, Mrs. Otis, chairman, has done much work in re-decorating and repairing the club house. One of the many improvements was re-decorating the stage and arranging a new system of lighting.

The club appropriated \$150 toward a scholarship in the Vocational Supervision League.

Mrs. Chickering, chairman of the Educational committee introduced the speaker of the afternoon, Professor Otto of the University of Wisconsin. His subject was "William James and his Philosophy". The speaker said that most concepts have come to us from abroad but William James has given to the world a new philosophy, "Pragmatism".

After the program, tea was served in the parlors.

**COUNCIL IMPORTANT IN
CAMP FIRE ACTIVITIES**

The Camp Fire Girls of Winnetka, as organized under Community House, are headed by a Camp Fire Council. This Council holds monthly meetings to consider Camp Fire work done in the different groups, to help advise the guardians on Camp Fire problems, to unify, and correlate the work of the groups, and maintain high standards in all the groups. Candidates for Guardianship of groups are invited to

meet with the council for general conference before taking a group. Camp Fire Girls about to take any of the three ranks come before the council and if passed upon they are awarded the emblem of rank by their guardian. These emblems are furnished by the council. The council arranges special group programs, and its encouragement and support have made possible the success achieved by the Winnetka Camp Fire Girls.

The members of the present council are:
Rev. J. W. F. Davies, Mrs. John R.

**Extravagance Keeps
Men Poor**

How many people there are in this world who cannot understand why they are unable to get ahead. In most cases it is not a difficult matter to arrive at a correct conclusion. After an analysis has been made it is usually found that the main cause is EXTRAVAGANCE.

Work to Pay for Dead Horse

Men of this type mortgage their earnings before they get their pay; this is a dangerous practice. Such men are rightfully classed with those who are always working to pay for a dead horse.

Home Conditions

In many instances the man is not always to blame, the housewife thru her perpetual practice of Extravagance and waste keeps the family in poor circumstances.

A Cure for Extravagance

Let it be arranged whereby a certain portion of each week's earnings are to be placed in a Savings Account in this bank, and then see how soon you will both be cured of the Extravagant and Wasteful Habit you have been practicing. Try it and see if we are not correct.
