WINNETKA'S RELIEF WORK WINS PRAISE

National Leaders in Charge of Near East Relief Pen Letters of Praise For Garden Market Plan

Winnetka's unique plan of raising money for Near East relief in which \$1,000 was collected by means of a Saturday morning Garden and Flower market at Community House, has attracted the attention of national leaders in charge of the disposition of Near East Relief funds.

The accompanying letters, directed to Mrs. Douglas Smith, chairman of the Winnetka committee for Near East Relief show in what high esteem are held Winnetka's relief projects. The letters read:

The following letters which are self-explanatory, show how Winnetka's contribution to the Near East Relief was received:

September 17, 1921

Mrs. Douglas Smith, Hubbard Woods, Illinois. Dear Mrs. Smith:—

Your welcome letter of the 16th with a check for \$100—making a total of \$1,000, the full receipts of Winnetka's Saturday Morning Markets—has just been received. Official receipt No. 70443 is enclosed.

We thank you for this perfectly unique service which you have rendered the cause and we would be glad if you would express our gratitude to all who have in any way co-operated.

The need of the dependent people in the Near East is still appalling. Of course, we are all disposed to "carry on" until the children who are under our care have bridged the years to adult life, but it is well nigh heart breaking to learn of the children knocking at the gates of our orphan compounds by the hundreds pleading for admission, when present funds and supplies make it impossible to admit additional children whose rations consist of a little bread and cocoa for breakfast, a little soup for dinner and bread and cocoa again for supper. However, we believe that the coming twelve months will see the situation greatly improved and just such acts as yours help us to look more confidently into the future.

Thanking you again, we are Very truly yours, Wyllis W. Baird, Chairman. F. J. Michel, Executive Secretary.

Chicago, Sept. 20, 1921.

Mrs. Douglas Smith, Hubbard Woods, Illinois. Dear Mrs. Smith:—

The splendid work which has been done in Winnetka for the Near East Relief has netted such a handsome contribution, one thousand dollars, that as Treasurer I want to thank you and those who have been associated with you in the very worthy undertaking. No doubt the raising of this fund meant a great deal of effort and personal inconvenience to many, but the cause is so deserving that I

am sure these sacrifices were made willingly. Of course you know that what has been done in such a generous manner in Winnetka and elsewhere throughout the country is relieving indescribable suffering and that the money raised could not be put to a better use.

Yours very truly, George M. Reynolds, Treasurer, Near East Relief.

We Are Entitled To Our Sundays--

THINK, MR. HOMEHOLDER, what it would mean to you to be deprived of a day of rest, a day of recreation. There would be no time to think your own thoughts, to do the personal, individual things that are so necessary to our living.

WE Real Estate Folks have been forced into Sunday slavery by operators who preferred to do business with Sunday shoppers. We are forcing ourselves out, bodily, risking the loss of business for a principle.

CO-OPERATE with us — refuse to show your home, or look at homes for sale, on that day. Sunday shoppers are shoppers pure and simple usually — buyers transact their business week days.
