

Parent-Teacher Activities

On Tuesday afternoon, November 22, there will be a general meeting of all grades of the Hubbard Woods school. Parents are invited to come with the children for the afternoon session. School will be dismissed at 2:30 and from 2:30 to 3:15 each teacher will meet in her room with the parents of her pupils to discuss the work and problems peculiar to each grade. At 3:15 there will be a general meeting of all grades in the assembly room. Mrs. Paul Starr will explain and illustrate her rhythmic work.

Mrs. Laura P. Young, president of the Illinois Council of the Parent-Teacher association will speak, and it is hoped many will avail themselves of the privilege of hearing her and stay and meet Mrs. Starr, ask questions, and enjoy a social cup of tea.

Everyone will be glad to know that Miss Emma Young of Greeley school

has returned home from Evanston hospital. She is slowly recovering and will be able to resume her duties the first of the year.

The second of the teachers' dinners at Community House on November 16, was well attended. All enjoyed the delicious dinner and it is hoped still more of the teachers will avail themselves of this opportunity for a pleasant evening and a chance to become better acquainted.

On November 30, the Hubbard Woods school is planning a large evening meeting to which everyone is invited.

It is with great pleasure we announce that Mr. Edward Yeomans, so well known in our village, will speak.

A PROMINENT WINNETKA CAR OWNER WRITES:

October 24, 1921

The Electric Storage Battery Co.,
Marquette Bldg.,
Chicago, Illinois.

Gentlemen:

The unusual quality of Battery Service which I have received at your Winnetka Service Station deserves a word of appreciation. Although I have a battery of another make, I have received the most willing and courteous service from the men of your station, particularly on two occasions on which they responded within fifteen minutes to a telephone call with a spare battery, and enabled me to use my car immediately. The charges for this service were not only very reasonable, but the men themselves refused to accept any additional compensation whatever.

This kind of service is such a contrast to that an owner of an automobile usually encounters that it is a pleasure to express some appreciation to your good Company.

Your very truly,

This letter has been sent to us by The Electric Storage Battery Company, whom we represent in Winnetka and neighborhood.

No matter what make of battery you have in your car if you desire to have service on it—have it filled, tested or charged come around and see us. We will give you as good service as it is possible to do.

Yours very truly,

WINNETKA EXIDE SERVICE STATION.
