It was a great pleasure to the audience gathered at the Woman's club Wednesday, November 16, to have a woman of such charm as Mrs. Norman W. Harris and a Winnetka woman, dedicate the beautiful new club piano.

The entire program was given by Mrs. Harris who played with such vitality in her tone that the interest of her audience was held from the moment she began to play. A keen sense of rhythm, gives a style to her playing and the atmospheric quality in the palmgren numbers made them exquisite. The Chopin mazurka was received with great pleasure as that beautiful number is seldom heard.

The afternoon was one to be remembered. The increasing attendance at these musical meetings shows that Winnetka loves music. The next meeting, December 14, is in charge of Mrs. Harvey I. Brewer. The subject is "American Music", which promises to be a very interesting program.
