by Ruth Risley

MRS. Catherine Waugh McCulloch of Evanston, chairman of the committee on Uniform Laws Concerning Women of the National League of Women Voters, will speak before the state convention of the Illinois League of Women Voters, to be held at the Congress hotel November 29. The women of the state will commemorate their first year of full citizenship on that date. Prominent speakers from all parts of the state will give addresses. Mrs. McCulloch, who has been an active suffrage leader for more than thirty years, and is a prominent Chicago lawyer, will probably speak on the jury question. The fourth regional conference of the National League of Women Voters will convene immediately after the state convention.

A "Better Citizenship Week" will be held from November 28 to December 3, in connection with the big convention.

Round-table conferences on Monday with committee chairmen of the Illinois organization will be followed by a convention with election of officers on Tuesday. Mrs. Maud Wood Park, president of the National League of Women Voters, state presidents and delegates from the seven neighboring states which comprise the fourth region, and officers from the national organization, will hold a conference on Wednesday. The remaining three days will be given over to a forum in efficient government which will be conducted by well-known students of government.

Prominent women of this community have been asked to join in a nationwide movement to unify the woman power of the country along civic, welfare, and patriotic lines through the Woman's National Foundation, whose headquarters are in Washington, D. C. A request has been received here from Mrs. Clarence Crittenden Calhoun, president of the Foundation, to organize local centers. November 15 was National Organization Day.

Great enthusiasm for the movement is reported from all sections of the country. Although the Foundation is less than six months old, it has secured thousands of members, acquired a million-dollar national site in Washington, and is indorsed and backed by leading financiers, statesmen, educators, and officials.

The board of governors of the Foundation includes such nationally known women as Mrs. George Barnett, wife of a major general of the U. S. Marine Corps; Mrs. Stephen B. Elkins, widow of former Senator Elkins of West Virginia; Mrs. Oscar Underwood, wife of Senator Underwood of Alabama; Mrs. Charles B. Howry, wife of Judge Howry of the United States Court of Claims; Miss Janet Richards, the noted woman lecturer; Mrs. John Hayes Hammond, Mrs. J. Borden Harriman, Mrs. James McDonald, Mrs. Henry R. Rea of Pittsburgh, Mrs. Sidney Ballou, Mrs. Marie Moore Forrest, the celebrated pageant writer; Mrs. James Carroll Frazer, head of the Comforts Committee of the Navy League; Mrs. Henry D. Flood, wife of Representative Flood of Virginia, and Mrs. Maud Wood Park, national chairman of the League of Women Voters.

The Catholic Woman's Club of Wilmette will hold its regular monthly meeting, on Friday, November 25,

Civics class will meet at one o'clock, followed by a business meeting and musical program at two o'clock.

Mrs. Edward Llewellyn will play several numbers on the cornet, and there will be an illustrated lecture on "Oratorio" by Mrs. Harold B. Maryott, lecturer and pianist, and Mrs. Robertina Robertson, contralto. The program promises to be most delightful and inspiring. The hostesses for the afternoon will be Mrs. A. E. Lamkey and Mrs. Charles Burkhardt.

The Bryn Mawr club of Chicago gave a luncheon Saturday last in honor of visiting members of the Alumnae association council, at the Chicago College club, instead of at the Casino, as was first planned. Mrs. William B. Hale of Winnetka is president of the Chicago Bryn Mawr
