Mr. E. W. Weber,
Editor, Winnetka Weekly Talk,
The Post Office always needs your
co-operation, but in one particular
especially, just at this time.

During the holiday season large
quantities of very small envelopes
and cards are put in the mails with
the result that all postal work is
very much retarded and mail dis-
figured and mutilated. This is not
generally known to the public and
we want you to help us to do a little
educating. Please urge the public to
desist from using small size cards
and envelopes which are common at
the Christmas period. An untold
amount of time is used in cancelling
such mail by hand, as it will not pass
through the cancelling machines,
which are built to cancel the proper
sizes of envelopes at the maximum
rate of 50,000 an hour. The hand
stamping not only causes delays to
the small size cards and envelopes,
but also delays the other mail which
follows.

The minimum size of cards and
envelopes should not be below 2 3/4
by 4 inches for the reasons stated
above and the following.

1. Addresses will be obliterated by
cancellation mark.
2. Delay in cancellation because of
awkwardness in putting through can-
celling machine.
3. Delayed through difficulty in
sorting.
4. Liability to loss or damage as
small sizes do not fit letter packages
and cannot be tied securely.

These odd and diminutive sized
pieces of stationery have come into
use in the past few years and only
appear now in any quantities at
Christmas time when the whole post-
al institution is keyed up to top
speed and trying to keep on top of
the load.

We will greatly appreciate, there-
fore, your co-operation in helping us
to get the public to use stationery
of the proper size in order that the
handling of all mail may be expe-
dited.

In this connection, if you can spare
a little space, it might be well and
help us greatly if you would call at-

**Be
thankful
for music!**

It is a source of happiness
that never fails. It is a solace
for what has been, and an in-
spiration for what is yet to
be. Music will never fail to
comfort and cheer you. All
that is greatest and purest
and best in music can be heard
in the home, on the Victrola.
It will round out a happy
Thanksgiving with clean and
honest mirth, with dancing
and with song. Why not see
us about it today?
