

## Activities of North Shore Clubs by Ruth Risley

THE second of the series of musical mornings at the Woman's club of Wilmette will take place on Wednesday, November 30, at eleven o'clock. Mrs. Harold B. Maryott will talk on "The Development of Oratorio and Opera", and will be assisted by Mrs. Robertina Robertson, who will give several vocal numbers. This meeting is open to all club members.

Luncheon will follow at one o'clock and reservations must be sent to Mrs. Thomas J. Moreau, 1507 Walnut avenue, Wilmette, not later than Monday.

Frank Parker

with the best American teachers and he is serving his sixth year on the faculty of the American Conservatory. His Kipling songs will be:

- Mandalay .....Speaks
- Fuzzy-Wuzzy .....Whiting
- Danny-Deever .....Damrosch

The Tagore group will include:

- When Thou Commandest Me to Sing .....Hammond
  - On the Day When Death Will Knock at Thy Door.....
  - Do Not Go, My Love .....Hageman
  - When I Bring to You Coloured Toys .....Carpenter
- Miss Vierlyn Clough will be the accompanist.

It is doubtful whether there is any subject of more interest in Glencoe, than that which is to be discussed before the members of the Woman's Library club on next Thursday afternoon, December 1, "The Glencoe Plan". Mr. George W. Maher will be the speaker and it is generally understood that he has some mighty interesting plans to discuss thoroughly.

There will also be a business session, and some special music. Mrs. Lionel Frank is the hostess for the month of December.

Miss Myra Reynolds will give her next lecture at the Winnetka Woman's club, on Monday, December 12, at 3 o'clock, instead of on December 5 as was previously announced. It is to be illustrated with stereopticon views and songs from the opera.

Chi Omega sorority announces a Christmas bazaar to be held on next Wednesday, November 30, at the Evanston Woman's club. The alumnae have been busily engaged in

making hand made fancy articles of various sorts, aprons, fancy baskets, handkerchiefs and pretty underwear, these past few weeks for the sale, and anyone who is interested in doing her Christmas shopping early, is certain to seize this splendid opportunity of obtaining choice articles at most reasonable prices.

A food and candy sale will also be conducted in connection with the bazaar.

Mrs. Knox Smith of Woodbine avenue, Evanston, is general chairman of the bazaar, and among the north shore alumnae who are actively in-

terested in its success are Mrs. Elmer Becker, Mrs. Hollenbeck, Miss Hazel Russell and Miss Helen Shurtleff.

Chicago and North Shore alumnae of Dobbs Ferry are making arrangements for a benefit bridge to aid in the erection of several new buildings at the school. The party is to be held Monday, December 5, at the home of Mrs. Frederick D. Countiss in Chicago. Miss Helen Gurley of Chicago is chairman of the affair.

North Shore society is always actively interested in the annual Charity Ball given for the benefit of the Evanston branch of the Illinois Children's Home and Aid society, which is to be held at the Evanston Country club on Monday, December 6. This affair has always been the largest social event on the shore during the holiday season and plans are being made this year to make it more elaborate than usual.

Arrangements are being made for a large bridge party to be held Thursday, December 1, at the North Shore hotel for the benefit of the Vassar college endowment fund. Through the courtesy of the management of the hotel, the ball room has been donated for the affair and it is hoped that a large crowd will avail themselves of this affair.

## GIFTS

THE purchase of suitable holiday gifts is always a perplexing problem, often made more so by procrastination. For your convenience, as well as to leisurely inspect our interesting assortment of high grade jewelry, we suggest a visit before the on-coming holiday rush. :: ::

Jewelry pieces may be selected now and held until the holidays, but those requiring special designs should be selected without further delay. ::

## Bill Jones--

has a splendid Touring Car and when the cold winds of autumn flitted around the open car, he realized the comfort and luxury of an enclosed body. After but little investigation, he commissioned us to build a winter enclosure. He selected one of our several models and made but one stipulation, which was that he must have a simple, compact, dignified job of good lines and best workmanship. "A job" that must be as good, in every way, as his car.

We delivered the car last week, but made a photograph of the finished job. You may be interested in seeing the photograph or a number of other cars that are in work right now—come in—we'll be glad to show them to you any day, and take your order for putting a winter enclosure on your car.
