

High School Boys Interested In "Y"

Decatur Conference Prompts New Trier High School Lads to Organize a "Hi-Y" Club

New Trier Township High school was represented by eighteen delegates to the Older Boys' conference at Decatur, Illinois, last Friday, Saturday and Sunday, which was conducted under auspices of the Y. M. C. A.

Those who attended were Tom Fitch, Philip Bright, George Martin, Byron Smith, Robert Spaulding, Blake Roberts, Ford Stoddard, Tom King, Ralph English, and Kenneth Gathercoal of Wilmette; Frank Reynolds and Walter Shattuck, of Kenilworth; Perry Lieber and Edwin Tubbs of Winnetka; Walter Hughes, John Holloway, Carleton Marsh and Del Worthington, of Glencoe. Accompanying the boys as leaders were Principal Eston V. Tubbs, Leslie J. Dodds, of Winnetka, and Graham Penfield of the Northwestern university varsity football squad.

At the conference there were 1,233 delegates from 99 different communities in the state. Addresses were made by Dr. Fred Stone, district superintendent of the Chicago district,

Methodist Episcopal church; Dr. John Timothy Stone, of the Fourth Presbyterian church, Chicago; and Mr. Wolcott, a well-known "Y" worker of Sioux City, Iowa.

Friday evening a banquet was given at the Decatur Y. M. C. A. at which leading business men affiliated with the Rotary, Kiwanis and Lion clubs were the waiters. The mayor of Decatur gave the welcome address for the city and Dr. Smith of the First Methodist church of Decatur welcomed the boys in the name of the churches. Music was furnished by the Streater Boys' orchestra and the Kiwanis quartet.

Some of the enthusiasm of the conference was brought back to New Trier and the delegates under the leadership of Del Worthington, are planning to organize a "Hi-Y" club at the school.

The Decatur meeting was one of the Eighth Annual conferences in Illinois. The next session is to be held at Peoria. Many of the best and finest homes of Decatur were opened to the boys. This is a great movement, the purpose of which is to interest the high school boys in the activities of the Y. M. C. A.
