

Kenilworth Happenings

ABOUT one hundred of Kenilworth's most prominent residents enjoyed one of the loveliest teas of the season given Tuesday afternoon of last week between the hours of four and six o'clock by Mrs. Frank Watt. Mrs. Watt, in a gown of royal blue velvet, was assisted in receiving by her sister, Miss Emily Riddleford, wearing a gown of emerald green velvet; Mrs. Edward L. Scheidenhelm in a gown of fuchsia colored velvet; Mrs. Herbert Seymour, sister-in-law of Mrs. Watt, in a lavender chiffon gown, and Mrs. Stephen A. Lloyd in an attractive gown of black velvet.

Miss Marion-Clarre Cook of Lake Bluff and Miss Katherine Scheidenhelm of Wilmette, poured. Miss Cook, a sorority sister of Miss Watt's at National Park seminary, looked very charming in a gown of wine colored velvet trimmed with black sequins and wearing a black feather comb in her hair. Miss Scheidenhelm also looked very lovely in a pink taffeta gown, which she purchased in Paris, during her trip abroad this summer. Miss Ruth Watt, in a smart rose velvet gown, Miss Phoebe Hoffman of Wilmette, and little John Watt, assisted in serving refreshments.

Pink roses and chrysanthemums filled the house, presenting a most cheerful effect.

Mr. Jerome Uhl, baritone, lately of Paris, and now with the Chicago Grand Opera company, rendered a most pleasing program, including an Aria from Thais, and other operatic selections. Mr. Uhl was accompanied by Miss Putnam.

The First Club Bridge party of the year took place at the Kenilworth club Tuesday evening. It is very interesting to know that it was supported by one of the largest attendances ever known. The first prize was won by Mr. and Mrs. Workman, the second by Mrs. C. G. Burnham and Mr. Leroy Woodland, and the third prize by Mrs. O. C. Owen and Mr. Bacchus. The serving of delicious refreshments concluded a most enjoyable evening.

WHY THE MANY OFFICERS

There is one officer to every seven men in the United States army, according to information received by the American Legion. It was explained by the War Department that the high proportion of officers was due to the present army policy of maintaining an army capable of quick expansion in time of war. The army today numbers 138,000 of which number 18,000 are officers.

Advantages of Fall Planting

Plant Material becomes firmly established and starts growing as Spring opens up.

Different State Experiment Stations have proven that immediately after planting in the fall trees and shrubs begin to put out small fibrous roots.

Avoid the Spring rush by planting now.
