CHRISTMAS SEAL SELLING PROCEEDS AT TOP SPEED

The sale of Christmas seals in New Trier township is proceeding in earnest. Everywhere one goes one encounters the hustling sales persons engaged in purveying the penny Merry Christmas stamps.

Winnetka promises to contribute its share with Mrs. Stephen A. Foster, in charge of the campaign in this village.

In New Trier Township High school the Misses Mabel Forberg and Gertrude MacRae are in charge and expect to put the school far over the top.

REPLACE WRECKED FLAGPOLE

The old flagpole on the Community House commons, which was struck and shattered by lightning last Labor Day, has been replaced by a new 80-foot pole. The new pole is set in a substantial concrete caisson. The old pole was a gift to Community House by the Boy Scouts of the village.

DECORATIVE SHELTER STATION

The very decorative shelter platform at the Elm street station of the Chicago, North Shore and Milwaukee Electric railway, received its initial coat of paint this week. The shelter was installed at the request of the Village council.

*Advantages of
Fall Planting*

Plant Material becomes firmly established and starts growing as Spring opens up.

Different State Experiment Stations have proven that immediately after planting in the fall trees and shrubs begin to put out small fibrous roots.

Avoid the Spring rush by planting now.
