THE Woman's club of Wilmette has arranged a most delightful program for its all-day meeting on next Wednesday. At eleven o'clock in the morning Mrs. Harold B. Maryott will give the last of her lectures, under the direction of the Music department, the subject this time to be the opera "Louise". Luncheon will be served at one o'clock, and then at two-thirty, the afternoon program will be resumed.

Rev. George Craig Stewart, rector of St. Luke's church in Evanston, is to be the speaker and he has chosen to talk on "Robert Burns and Scottish Poetry". Being a Scotchman himself and having a wide reputation as an eloquent speaker on art and literary subjects, one is assured that he will be able to handle his subject very aptly. Dr. Stewart served as a chaplain over in France during the war, and many of us remember his vivid description of life in the trenches and the horrors of battle.

Miss Mary Welch

Another feature of the afternoon will be the annual appearance of Miss Mary Welch, contralto, a favorite among all music lovers, and since Dr. Stewart is to talk about the Scotch, Miss Welch has hinted that she may include some Scotch songs in her program, perhaps even, some of Robert Burns' own poetry, set to music.

As many of you know, Miss Welch is the soloist at the Congregational church morning services this winter.

Taken all in all, next Wednesday promises to be a most interesting day at the Woman's club.

A revival of the play, "Everyman" is to be presented at Annie May Swift Hall, on the south campus at Northwestern university, on Monday, Tuesday and Wednesday evenings of next week, by members of the faculty and alumnae of the School of Speech at Northwestern.

Mrs. Isabel Garghill Beecher, a graduate of the school, and known as one of the best readers in the country

today, will be supported by such notables as Professor Ralph Dennis, dean of the school, Professor Lardner, Miss McIntyre, Miss Lovedale, Miss Hazel Easton, and others.

"Everyman" was supposedly written by Peter Dorland, a monk in Diest, in 1489. The first revival of the play was done by the Elizabethan Players in London in the year 1901. The costumes and settings to be used have
