

Let's Go to The Opera Over At The Jones' Home

The Modern Age? Truly, we are living in it.

Call in the neighbors, convert your drawing room into a miniature theater and proceed to hear musicales and, if you please, receive at first hand the red hot reports of the boxing matches or election returns.

Don't laugh! It's being done by the simple expedient of installing a victrola-like receiving station, attaching a small dial "tuned in" with various wireless stations, and — sitting back and just drinking in the wonderful arias and choruses, or enjoying a concert in Pittsburgh, or getting the rounds, blow by blow, from Milwaukee.

F. L. Wooley, of Highland Park, formerly of Glencoe, is introducing these latest uses of wireless on the north shore.

In the instance of the opera, says Mr. Wooley, you have ample time to step out between the acts and have that brief intermission smoke.

FORT SHERIDAN MEN HOLD ANNUAL REUNION

An annual dinner and reunion of the Fort Sheridan association, of which there are many north shore members, will be held at the Hotel LaSalle, December 10, at 8 o'clock. This organization is composed of men from the First and Second Officers Training corps at Fort Sheridan.

Among the principal speakers of the evening will be Commander Macnider of the American Legion; Past Commander Emery and Judge K. M. Landis.

LEGION HONORS ATHLETES

The high school graduate with the best athletic record in Elkhorn, Wis., will receive annually an American Legion medal, gift of the local Legion post.

"millions now living will never die"

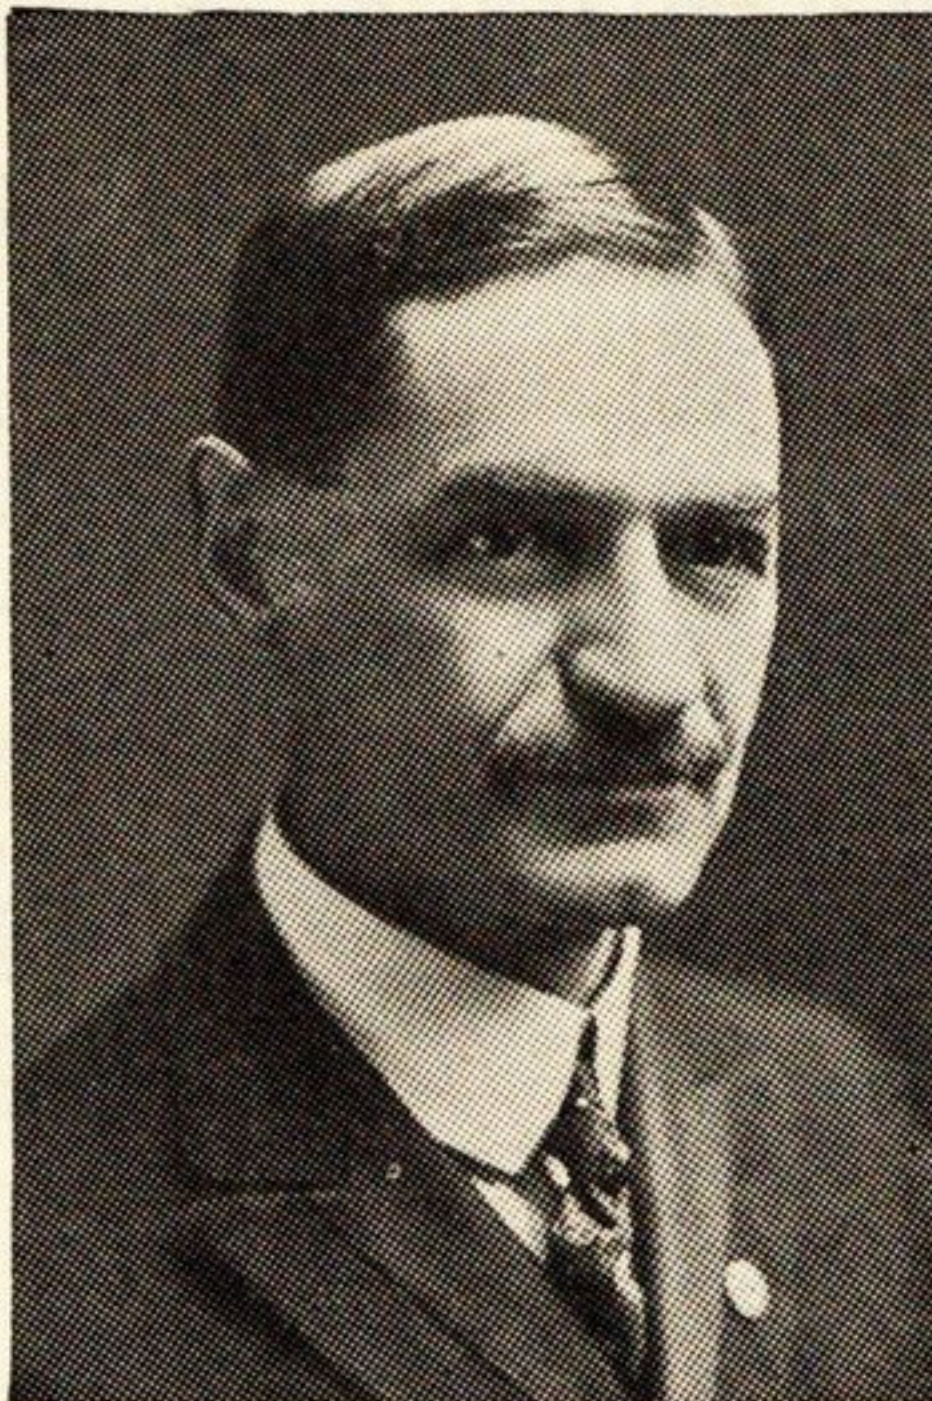

--Judge Rutherford
President of Golden Age Lecture Bureau

In less than a year this proclamation has found its way into thirty languages and the message is being heralded to millions of people in thousands of cities in every land of the earth. "MILLIONS NOW LIVING WILL NEVER DIE!" "Who ever heard of such a thing? Preposterous," you will say. So said the scoffers to Noah: they had never seen rain—but the flood came on time. "MILLIONS NOW LIVING WILL NEVER DIE," but will enjoy unending human life on the earth and ascend a highway of righteousness to full perfection

of body, of mind, of character, in company with their loved ones returned from the grave. When the kingdom of God is fully established mankind will have no more fear of sickness or accident, old age or death; no more dread of loss of home, or loved ones, or livelihood; no more sorrow or tears.

"MILLIONS NOW LIVING WILL NEVER DIE"

You may be one of them. Go! Hear the proof of these most marvelous tidings. Testimony upon testimony, evidence upon evidence, Biblical, historical, scientific—appealing to your reason as well as your heart—will be presented without cost in the lecture by
