

Activities of North Shore Clubs

by Ruth Risley

A SPECIAL PERFORMANCE of "Alice in Wonderland", will be given Tuesday, December 27, at 2:30 o'clock, at the Playhouse, Chicago, by the members of the Chicago Junior League, for the benefit of the Radcliffe College Endowment fund. Tea will be served. Tickets may be obtained of three Winnetka women, Mrs. Heyliger A. de Windt, of Sheridan road, Mrs. Walter T. Fisher, 1051 Cherry street, or Mrs. Willoughby G. Walling of Private road.

Chicago's greatest campaign for home welfare needs is being conducted this month, and the United Charities, assisted by thousands of volunteer workers are endeavoring to raise the funds required to carry on its work during the thirteen months beginning December 1, 1921, and ending December 31, 1922.

The total amount which must be raised is one million dollars. This is a huge amount of money. The men and women charged with the responsibility of directing the affairs of the United Charities would not ask the citizens of Chicago for this financial support at this time unless it was of vital importance to every person who resides in or gains his livelihood in Chicago, that it be subscribed at once.

Winter is here. It is the beginning of a period, which, due to the unemployment of thousands of breadwinners for many months, will set, in all probability, the high water mark for relief applications among charitable agencies.

The United Charities, Chicago's one great city-wide, non-sectarian family welfare agency, will be called upon to bear the brunt of this peak load. It has borne the brunt of the constantly increasing load during the past year. Because of that fact and because its financial support has not kept up with the increase in the load, the United Charities now finds itself—at the very period when its assistance is most needed and facing the most serious situation it has had to contend with in years—without funds and with its credit exhausted.

To meet adequately the extra demands for assistance that are bound to come during the next thirteen months, the Board of Directors have carefully estimated that \$400,000 more than the budget for the normal needs of the United Charities will be necessary.

It was therefore decided to conduct Emergency Fund of \$400,000 which is needed at once, and for the normal budget of the United Charities, for the next thirteen months, that is for December 1921, and for the year 1922, which amounts to \$600,000.

Already thousands of old contributors have pledged the major part of the normal budget of the United Charities for the next year and now, if the Emergency caused by the unemployment situation is to be adequately met, thousands of new supporters must come forward and open their hearts and purses and give.
