AFTER DINNER PICTURES THIS MAN'S SPECIALTY

After dinner, when the women retire to the drawing room and the men are conversing over the coffee and cigars, Sidney Spiegel, motion picture exhibitor, is arranging the feature event of the evening's entertainment.

It's the home motion pictures. The

hostess selects the film and Spiegel, expert operator, "puts it on."

Spiegel, a senior at New Trier High school, specializes in motion picture entertainment in the home, the church auditorium, the lodge hall, for the dancing party or social gathering and, in the summer, in the great out-of-doors at lawn or beach parties.

Spiegel is to attend to the changing colored lighting at the Winnetka Woman's club on December 27, at a dance to be given by the North Shore Dancing club.

He has recently supervised motion picture entertainment, without cost at benefits given in Chicago by the Infant Welfare society.

Mr. and Mrs. Francis M. Case of Hubbard Woods, gave a dance last evening at the Winnetka Woman's club for their daughter, Miss Carolyn Case.
