DOUGHBOY'S CIVVIES KEEP EX-SOLDATEN ROHEOL WARM

Both eyes destroyed by American shrapnel during the world war, Franz Roheol, who served the Kaiser, now is kept from suffering by an American doughboy's discarded suit of "civvies." Someone bought the clothing at a rummage sale held by the American Legion post at Maspeth, Long Island, and sent it to a woman acquaintance in Germany. She gave it to the needy German soldier.

"Now I can use the little pension the Government gives me for food and need not go hungry," the former enemy soldier says in a letter of thanks to the Legion post. Ex-Soldaten Roheol lives in Ekren, Germany.

COMMUNITY PAPER REPLACES FORMER COUNTRY NEWSPAPER

That the "community paper" is superseding the so-called "country paper" was the belief expressed by Prof. H. F. Harrington of the school of journalism of Northwestern university in a talk delivered to journalism teachers in Madison, Wis.

He said that the schools of journalism are training a new type of worker to meet the demand for "community newspapers."

Advantages of Fall Planting

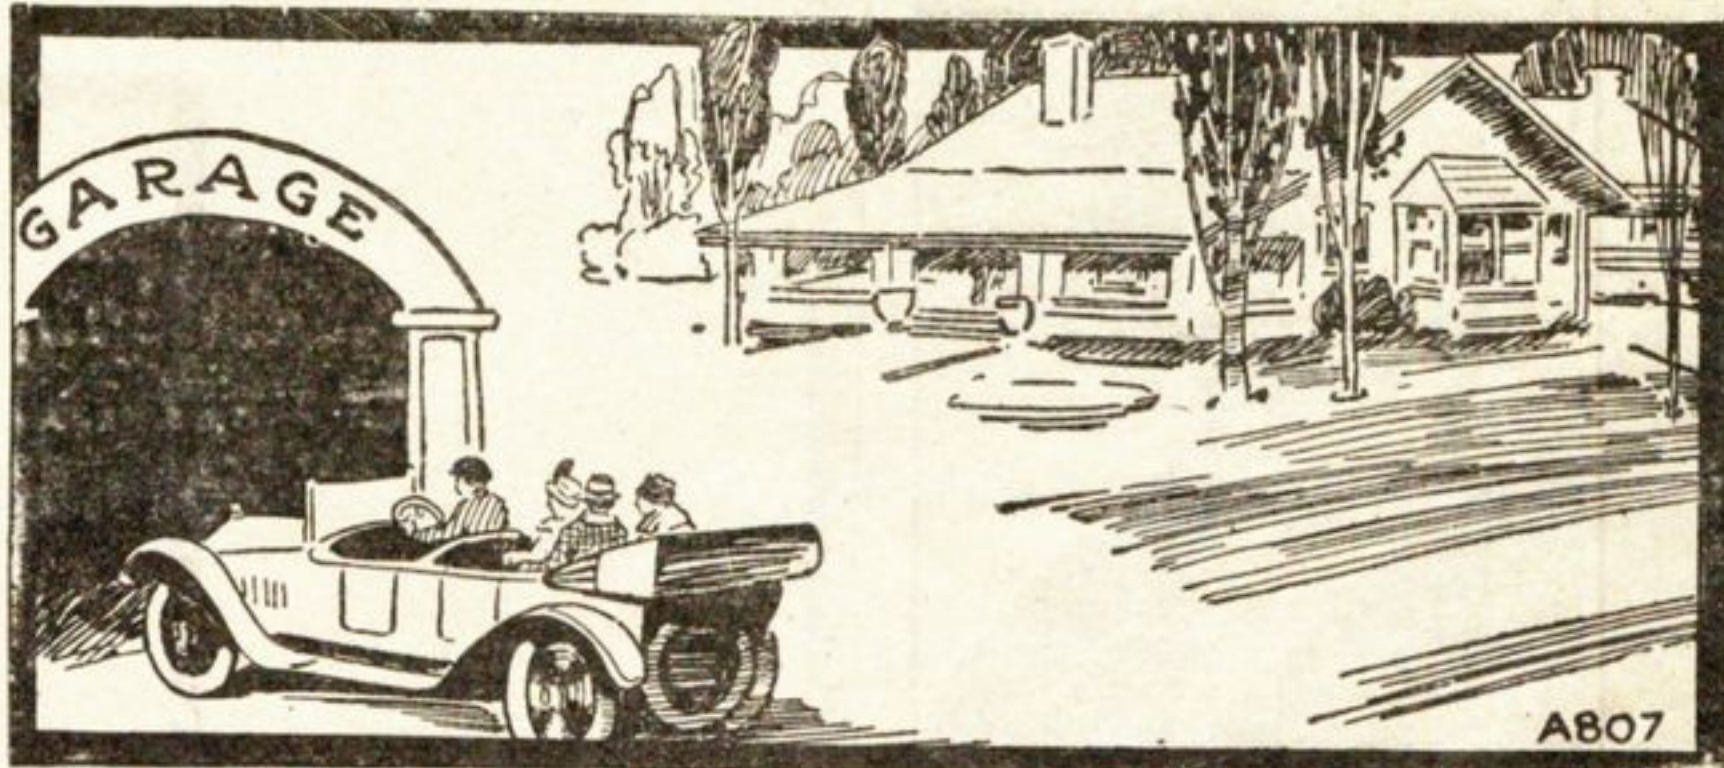

Plant Material becomes firmly established and starts growing as Spring opens up.

Different State Experiment Stations have proven that immediately after planting in the fall trees and shrubs begin to put out small fibrous roots.

Avoid the Spring rush by planting now.
