

COMMUNITY HOUSE CALENDAR

WEEK OF JANUARY 23

On Thursday of the coming week the Winnetka Men's club will have its monthly dinner in the gymnasium. This club is a village affair, and has a large membership of Winnetka men. At these dinners, prominent men of affairs address the club on vital topics of the day. Different groups of Winnetka women graciously tender their services as hostesses in the dining room, and because of their efforts, good service is always assured. A general meeting of the Camp Fire Girls is scheduled for Thursday afternoon in the gymnasium. There will be knot-tying and first aid contests, short drills, singing, etc. The girls are working hard on these tests, and are enthusiastically striving so that their group may make the best record. On Saturday evening, the fireman's ball will take place in the gymnasium. Those in charge are preparing for the most interesting party yet given.

Leaves Safe Unlocked; Prowler Finds Nothing

When a clerk in the Wilmette Western Union Telegraph offices in the Northwestern station quit work one night last week, he failed to lock the office safe, thus tempting the curiosity of a prowler.

Since nothing of value is placed in the safe, according to the manager of the office, the prowler had nothing but his curiosity satisfied.

Taste is a matter of tobacco quality

We state it as our honest belief that the tobaccos used in Chesterfield are of finer quality (and hence of better taste) than in any other cigarette at the price.

"They Satisfy"

FOR SALE PEKINGESE

"CHONG NE, BLICK'S BOY"—Registered and pedigreed for six generations back. Out of the eastern Garfield stock. This dog has the finest tall stand, and the finest coat in this part of the country. Is super-intelligent, knows every household trick, and many, such as singing with piano, that are very out of the ordinary. His color is white, with brown spots, black eyebrows, white tail. He is an ideal pet—knows and loves motoring, but is not fond of children. This is the reason for selling—a creeping baby makes it impossible for us to keep him.

He has never been shown on the bench, and has never been bred. No reasonable offer will be refused. He can be seen evenings, or Sunday, January 22nd, after 2 P. M.—Phone Evanston 3776.
