

NEWS OF INTEREST IN NORTH SHORE CLUB CIRCLES

Elizabeth Gordon to Be Speaker at Big W. C. T. U. Meeting

THE Woman's Christian Temperance Union will be hostess to the various woman's organizations of the North Shore District in the Wilmette Methodist church, Monday afternoon, February 6, at 2 o'clock. Mrs. Stephen Lloyd will conduct devotions; there will be two vocal solos, one by Mrs. Leslie Hanawalt and the other by Mrs. Ferdinand Larsen. Miss Elizabeth Gordon will speak on "Effects of Scientific Instruction in the Schools." Mrs. F. A. Schumacher will review laws of the various states relating to temperance. Superintendent J. R. Harper will speak on some things the W. C. T. U. can do to help the schools. Dr. Gilbert Stansell will discuss the subject "The Present Crisis in Temperance Reform."

Light refreshments will be served.

The Winnetka Woman's club met in regular session, January 26, at the club-rooms. Mrs. Willoughby G. Walling presided and made the following announcements:

The Citizenship Class, under Mrs. Liebel's direction, meets at the club-room Tuesday mornings at 10 o'clock. A marked interest is shown by those in attendance in the knowledge of voting and of the way in which our laws are made and administered. These lectures are free to all women of Winnetka.

On request of Professor Tubbs of the New Trier High school, two representatives were selected from the club to co-operate with an advisory council which will confer on matters of interest to education in the township.

A plea was made for clothing for the Park Ridge School for Girls. This institution is doing a very good work in providing a home for girls who have been unfortunate and are without homes. All clothing, excepting shoes, is needed for girls from the age of seven to sixteen, and the club

members are asked to bring any such donations to the club-rooms and leave in care of Mr. Anderson, any time before the next regular meeting, February 9.

Fifty dollars has been voted by the board for the Near East Relief for Armenia.

The Civics and Philanthropy committees have secured Mr. Walter Dodd to speak on the subject of the Constitutional Convention at the meeting on February 9.

Very interesting reports from the Tenth District meeting of Federation of Women's clubs, which met with the North End Woman's club, were given by Mrs. Allan Wolf and Mrs. Edwin E. Brown.

The subject for the afternoon program "Psycho-Analysis: Its Relation to Education," was most earnestly treated by Dr. Edmund Jacobson, who is a psychologist and a practicing alienist. Psycho-Analysis had its origin among a circle of physicians about fourteen years ago and has been found valuable in the treatment of nervous and abnormal cases. Dr. Jacobson stated that only an introduction to the subject could be given in the short time allotted for one address, and it is safe to say that many of his interested listeners will wish to pursue the subject further. At the tea tables, Mrs. Justus Chancellor Jr., Mrs. Montague Ferry, Mrs. N. Landon Hoyt and Mrs. Mortimer B. Parker served.

It will be Husband's Night at the Woman's Club of Wilmette on Friday evening, February 10, at 8:30 p. m. This is a yearly event to which all club members look forward with interest. The officers of the club and their husbands will act as hosts and hostesses, and the gentlemen will be the honored guests.

Mr. MacGregor Jenkins, publisher of the Atlantic Monthly, will be the speaker of the evening, his subject being, "Fellow Travelers." Mr. Jenkins is a man of affairs and his literary judgments have most sane and practical cast. His lectures are full of genial humor and unanticipated wit.

Flora Waalkes, soprano, will furnish the musical part of the program. Miss

Waalkes is a Chicago artist who has rapidly come to the front and according to the principal Chicago critics is a real artist with a beautiful voice, used with intelligence.

The Civics and Legislative department of the Wilmette Woman's club, will have their second meeting of the series in Citizenship under the direction of Mrs. M. H. Lieber, on Wednesday, February 8, at 11 a. m. This meeting is open to the community. A class in parliamentary law will follow this meeting.
