

**And Now
for the
Big Event!**

CABARET BALL

**UNDER THE AUSPICES OF
WINNETKA POST
AMERICAN LEGION**

Most everyone that can walk or be carried will be there--and why not, with all the attractions there will be waiting to be enjoyed. Everyone is working for it -- plugging for it -- bring your gang, and have the time of your life.

Dancing for the lively ones--continuous, foot-tickling music by Dr. Watson's Alco Artists. Cards for the quiet ones, real headline vaudeville acts, something doing every minute. Wireless telephone--a concert from all over the country--and everyone YOU know will be there.
