Teachers To Present

'Everybody's Husband' and 'Uncle Jimmy'

EVERYBODY'S Husband," and "Uncle Jimmy," the latter written by Zona Gale, two short plays, and most likely comedies, will be presented by the teachers of the Winnetka Public schools, under the auspices of the Parent-Teacher's association, next Tuesday evening, February 28, at eight o'clock at the Winnetka Woman's club.

Tickets may be obtained through Mrs. Wallace Rumsey, Mrs. Frank Crawford, Mrs. Charles Howells Coffin or Mrs. Laird Bell, who is coaching the plays.

Members of the cast in "Everybody's Husband" include: Dorothy Chester Marshall, Elizabeth Bacon, Mabel Vogel, Marion Carswell, Blanche Herman and James Humphreys.

Character parts in "Uncle Jimmy" will be taken by Charles A. Kinney, Kathryn Michael, Harry Clarke, Edsel Siebe, Mary Reese, Doris Shumway, Unis Wright McMeekin and S. K. Ostergard.

Following the program, there will be in formal dancing, followed by a cotillion led by Mr. N. H. Batchford, Jr., and Mr. John Reilly. The novel favors have been made by the teachers and the annual frolic promises to be as gay as in years past.

"A Singing Winnetka!" That was true of the meeting in Community gymnasium last Sunday evening, February 19. The long line of cars extending from Pine street to the business section of Lincoln avenue, made late-comers hasten steps. The arrangement of the gymnasium was social: men facing the women, east to west; school members facing north to south, with the piano, the high school orchestra, and leaders platform in the center. And how they sang! Opening with the "Star Spangled Banner" and closing with the strains of "Coronation," the volume of song never lessened.

There were lovely solos, by Mrs. Asa B. Cooley, Miss Moschelles, Mr. Arthur Dean, and when Mr. Alfred Freeman sang the verses of "Marching thru Georgia," he joined in the chorus by the entire audience. Nor was the music all by the adults. The choir of Christ Church sang most beautifully and the Public School chorus rendered two lovely numbers from Handel and Cherubim, the New Trier Girls' Glee Club, and the pupils of the North Shore Country Day school, both rendered delightful numbers.

The greatest praise is due Mrs. Burton Atwood, who, with the help of Mrs. Kohlsaat, Mr. Chase, Mrs. Arthur Dean and Mrs. Cotton, carried out the evening's program. "Why cannot we do this again?" was the query on many folks' lips as they were homeward bound. Winnetka can develop an excellent community chorus, for she has the voices, the meeting place and an enthusiastic and trained leader. Why not do it?

THE COLUMBIA SCHOOL OF MUSIC

CLAIRE OSBORNE REED, Director

and

KATHLEEN AIR, Principal of the Winnetka Branch

wishes to announce the starting of Class Lessons in Sight Reading for Piano Training, which develops the ability to read pieces and song accompaniments at sight and duet playing, which is in preparation for "Ensemble" playing.

This course will also include ear-training and practical use of simple chord combinations to be used for song accompaniments and also for the selection of chords to fit well-known melodies. This work is a preparation for more serious study, as Class Lessons could not take the place of private instruction, as more time is necessary for the full development of the individual pupil. It is, however, an excellent substitute for those, who do not wish, or have not the time or money for, more serious study, but who have a desire to know something about Music and the Piano.

Much less time is required for practice, and in having classes, we can offer this work at very reasonable rates. This class system has been used with the greatest success in our Main School in Chicago and we take pleasure in offering the Winnetka children the same advantages.

Terms:

75 cents a lesson for two in a class.

50 cents a lesson for four in a class.
