Arden Shore Women Plan Annual Spring Drive For Camp Funds

MRS. Carl R. Latham of Evanston gave a luncheon on Friday, March 17, for the Board of Managers of the Arden Shore Association, of which she is president.

After the luncheon the regular monthly business meeting was held and plans laid in preparation for the annual Spring drive for funds to support the camp at Lake Bluff.

The drive will take place in May, the usual time, and the directors hope to raise \$40,000 in the North Shore villages, with the help also from Chicago.

The nutritional work among boys and girls between 14 and 16, who are physically unfit for industry, has become so well established and the results are so gratifying that the Association is sure the friends of the Camp must feel well repaid for their generous support in the past, so that they will be willing to continue that support and add to it so that the work may go on and expend from time to time as seems necessary.

The following women form the Board of Managers of the Arden Shore Association:

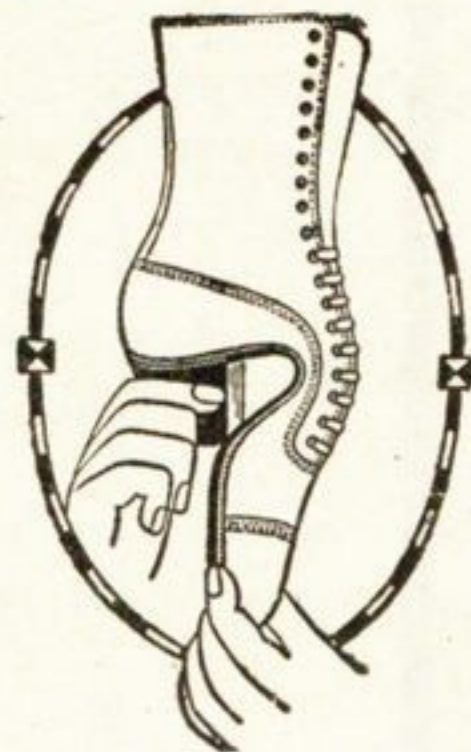

Mrs. J. McGregor Adams, honorary president; Mrs. Carl R. Latham, vice-president; Mrs. Robert B. Gregory, vice-president; Mrs. Grant Ridgway, vice-president; Mrs. E. D. Parmelee, treasurer; Miss Gladys Spry, recording secretary; Mrs. George Shaw, corresponding secretary.

Members at large: Mrs. William E. Clow, Mrs. George B. Dryden, Mrs. William G. Hibbard, Mrs. Bruce MacLeish, Mrs. George A. Mason, Mrs. Philip Post, Mrs. John W. Scott, Mrs. Charles H. Thorne.

Town chairmen: Mrs. Otto A. Kreutzberg, Lake Bluff; Mrs. William E. Casselberry, Lake Forest; Mrs. Henry L. Glidden, Highland Park; Mrs. Harry A. Sellery, Ravina; Mrs. John H. Bullen, Glencoe; Mrs. Lowell Copeland, Winnetka; Mrs. Mark Cresap, Kenilworth; Mrs. Joseph J. Sidall, Wilmette; Mrs. John C. Slade, Evanston; Mrs. Colville C. Jackson, Chicago.

The Rise of Sensible Shoes

It is quite the fashion now to wear sensible and efficient shoes. Once upon a time they were considered "old," but since the college girls and the women's clubs and the Y. W. C. A. girls turned to good-looking shoes modeled upon natural line, the whole world of style has turned its back upon the sharply pointed toe.

Low heels for daytime wear are illustrated in the fashion magazines. The sharp toes of two years ago seem very out-of-date.

Comfortable shoes make life so much easier for every woman, whether she spend her day in the business district or whether she passes the hours in duties of household and motherhood, it is no wonder the styles have changed.

One of the best looking of sensible shoes is the Cantilever Shoe, which we recommended to you with perfect confidence. You will find its natural lines most agreeable to your foot, its flexible arch most delightful when you walk and want your feet to feel free and strong.

If you stand a good deal, its snug fitting instep will prove most restful. Proper heels, medium or low, with good room for the toes to feel at ease, are other features that go to make Cantilever Shoes so delightfully comfortable that every day you wait you are missing a new happiness. Come tomorrow, see how smart they look on your foot and how wonderful they feel!

It was announced that another musical program will be given on March 16, which will be in charge of Mrs. Jerry Rothschild. The subject will be "Romantic Composers," with selections from their works.

The next regular club meeting will take place March 23, and will be in charge of the Art and Literature department. The subject is "Modern Poetry." Mrs. Carl Rodin, formerly of the Chicago Public Library, will be the speaker.

Miss Guthrie of the Central Y. W. C. A. in Chicago, gave a most interesting account of the various activities going on at that busy institution. She announced a Vesper service, which will be held at the Studebaker theatre March 26, to which all are invited.

Dr. Fowler presented the needs of the St. Francis Hospital on Ridge avenue, Evanston. They are obliged to turn away an average of two patients a day owing to the lack of room. It is hoped to raise funds to enlarge the hospital to such an extent that 100 new beds may be installed.

The subject for the afternoon was "Project Teaching." Miss Cooke of the Francis Parker School explained to those present how this progressive school takes a child from the first grade and studies him as an individual on up until he is ready for college. Miss Cooke stated that self-actuated work causes the greatest gain. Real experiences with actual materials is essential. This gives the pupils an education in choice. Stereopticon slides were shown of the Santa Claus Toy where the whole school is busily engaged for ten days before Christmas in mending old toys and making new ones. When completed these are distributed among 1500 children who otherwise would perhaps have no toys for Christmas. There is a school paper edited and printed by the pupils. A Wireless Club and other activities which seek to draw out the individuality of the child and help him to develop self reliance are maintained.

Supt. Washburn made a plea that those present who are hopeful for the best school system in Winnetka should vote Yes at the referendum vote on Saturday, March 18, at the Horace Mann school.

The hostesses at the tea tables were Mrs. Bob W. Anderson, Mrs. Edgar B. Baumann, Mrs. Spencer S. Beman and Mrs. Arthur W. Cushman.

The annual meeting of the Ravina club, postponed from last fall, met in the English room of the Blackstone hotel last Friday, for the purpose of electing the following officers for the ensuing year: president, Mrs. William Sutherland, Glencoe; first vice-president, Mrs. Ralph Poole, Lake

Forest; second vice-president, Mrs. Annette Jones, Highland Park; recording secretary, Mrs. Arthur Byfield, Highland Park; corresponding secretary, Mrs. George Parker, Winnetka; treasurer, Miss Bertha Hypes, Evanston; campaign committee, Mrs. Frank Greene, Winnetka, chairman; Mrs. Bruce MacLeish, Glencoe, Mrs. Mark Cresap, Kenilworth, Mrs. Arthur Byfield, Highland Park. At the next meeting, which will occur sometime in April, plans for summer work, will be formulated.

Here is one that appealed to us especially this week:

Dear Kiddie Nook: I have been reading your Column with interest, and want to tell you how sorry I feel that I was never in your inviting store until just last week. I always imagined your prices would be too high, although I have admired the pretty things in your window with longings and wished so much that I could afford to buy from you. Now that I have finally visited your store and investigated your prices, I would like to "tell the world" that you are more than reasonable. Your prices are very low, and still everything is so exclusive. What a boon you are to the mothers and children of this community. How much you can save our strength and time, when we realize there is absolutely no need of going into the city to get the nicest things we could imagine, and at far more reasonable prices too.

Special attention is invited to our increased assortment of Fancy Goods - stamped and applique, ranging all the way from bibs and baby dresses to full-size bedspreads and many other pretty articles for mother as well as the children.
