

REGARD FOR LAWS FIRST ESSENTIAL

Speaker Classes Automobile Speeders as Grave Menace

Automobile speeders and bootleggers and purchasers of bootleg liquor should be sentenced to a term in prison to curb the present state of lawlessness, according to Arthur Burrage Farwell, president of the Chicago Law and Order League, who gave an address on "Law or Anarchy" at the Wilmette Presbyterian church Sunday. He said that anarchy will result unless residents of Chicago and suburbs pay more attention to the observance and enforcement of laws.

Mr. Farwell cited cases of automobile speeding and bootlegging as examples of lawlessness in which some of the better class of citizens were the violators of law. He said that the denizens of the underworld are taking their cue from the attitude of these so-called "good citizens" who ignore certain laws that interfere with their own desires.

Need Regard For Laws

"This republic is facing a grave danger" said Mr. Farwell. "Unless there is a greater regard for the laws of the city and state and the nation, our whole governmental structure may fall and we will sink into a state of anarchy from which we may not recover for hundreds of years. Let us take warning in time. Amos, the prophet of God, whose teachings are being studied today in all Sunday Schools, warned the Israelites of his day that they were doomed to captivity in a strange land unless they turned from their habits of drinking alcoholic liquors and from their desire to be entertained in the cabarets and harems of their day. They did not heed the warning of the prophet and lost their liberties. It would be well for all the American people to study the book of Amos, then compare the conditions that prevailed then to the present conditions in the city of Chicago and other great cities in this country and take warning."

ARBOR DAY, APRIL 14; BIRD DAY, OCTOBER 27

Governor Len Small this week issued the following proclamation for the observance of Arbor and Bird days on April 14 and October 27.

"The laws of Illinois provide that the Governor shall, annually, in the Spring, designate a day or days to be known as Arbor and Bird day.

"The trees and the birds of any land constitute a part of its natural wealth, and their aesthetic value is highly as important to the people as their economic value. They minister to and delight the senses. Our trees preserve our lands from erosion, they furnish us with the fruits of the earth and with lumber to house us and with fuel to warm us, and their grateful shade shields us from the blazing sun of Summer. Our birds, subsisting largely upon insect pests, protect the growing trees and crops and thus add materially to the wealth of the state, besides contributing to our pleasure by their plumage and sweet songs. It is quite essential that our youth from time to time be impressed with

the necessity of propagating and fostering these important natural resources.

"Now, therefore, I, Len Small, Governor of Illinois, by virtue of the authority in me vested by the statutes, do hereby designate Friday, April the fourteenth, and Friday, October the twenty-seventh, of the present year, as Arbor and Bird days, to be observed throughout the State by planting and care of trees, shrubs, and vines about the homes, on the farms, along the highways, and about public grounds within this State, and as days on which to hold appropriate exercises in the public schools and elsewhere to emphasize the importance to our State of the propagation of trees, shrubs and vines, and the preservation of our native birds."

CHOIRS IN ENTERTAINMENT

The choirs of the Winnetka Congregational church are to give an entertainment at Community House Monday evening, March 30 at 8 o'clock.

Miss Beatrice Fenton, daughter of Mr. and Mrs. Howard T. Fenton, 818 Bryant avenue, has returned from a six week's stay in Daytona, Fla.

Thirty-nine States, Fourteen Countries Represented at N. U.

"More than half of the men registered in Northwestern university, live in Evanston or Chicago, or within a radius of twenty miles of the campus," says a statement issued by the University Y. M. C. A. That means that half the men in school are off the campus over week-ends if not during the rest of the week.

Figures, compiled this year for the first time, show that 39 states, Washington, D. C., and 14 foreign countries are represented by men students. After Illinois, the states furnishing the largest number of students are Indiana, Iowa, Wisconsin, Michigan, Kansas and Ohio, in the order named. China, with 14 students heads the list of foreign countries. Other countries represented are Argentina, Brazil, Burma, Egypt, England, Hawaii, Korea, Siam and Sweden.

There are 1,360 men on the Evanston campus. In Liberal Arts college there

are 760; in Commerce and Journalism, 330; in Engineering, 145; in Speech 20; in Music, 15; and in the Graduate school, 192.

"DISCUSS PRAYER"

The Wednesday evening lenten meetings at the Winnetka Congregational church are taking the form of open discussions on some of the most important aspects of the Christian life. Next Wednesday the topic will be "Prayer" and Arthur R. Dean will open the service.

RENTING BUSINESS GOOD

The frequently discussed search for "houses to rent" continues unabated along the north shore, according to local real estate brokers. Also, the scarcity of such places continues apace. There is an abundance of places on the selling market but business in that connection is reported as none too brisk.

PLAY GARY SOCCORITES

The North Shore Soccer club will meet the Gary, Indiana, soccerites Sunday at 2:30 o'clock at Foster Field, Evanston.
