American Women Becoming Physically Perfect

Chicago - Women are becoming

stronger physically. "And is it not reasonable to suppose," asked a delegate to the Nation-Fraternal Congress here, "that America may develop a race of Amazons physically superior to the lunchbolting city man?"

"Yes," was the emphatic reply of

some women delegates. "No; absolutely no," retorted men delegates. "We admit that men are steeped in nicotine, a condition prevalent in all countries. And we deplore food-bolting, distinctly a trait of the American business man. But we insist that woman will always be the weaker

Mortality Rate Decreasing Nevertheless reports of the various organizations showed that the mortality rate among women is decreasing to a most gratifying extent. This was particularly true in the case of the Supreme Forest, Woodmen Circle whose 150,000 members are mostly women. Widespread criticism of the Ltg17-tfc debutantes' late hours and the average woman's indiscreet diet are there-

fore to be greatly discounted. "Women are in fact on the road to gate. "There are far more perfect thirty-sixes today than five years ago. T1-1tp | Women generally are observing rules | of diet, exercise and rest, which is more than can be said for city men. The Revised Constitution and By- Not only are women observing these everywhere. Junior circles are now being organized by Woodmen Circle women in every state to teach children

Statistical reports show that tuberof women than any other disease.

Canada's Vets Add To Land Holdings

Ottawa, Ont.-While various American business and political groups are locked in a dramatic struggle over the proposed soldiers' bonus, Canadian exservice men are rapidly extending their land holdings under supervision of the Soldier Settlement Board. Preliminary estimates for 1922 indicate the early cultivation of thousands of additional acres.

Not only the Dominion and provincial governments, but all commercial and agricultural organizations as well The fire loss for 1921 exceeded that are helping lead the soldier-farmers to of any previous year in the history of prosperity. Keenest pride in the proj-
