Coach at New Trier High School Achieves Enviably Record in 4 Years' Service

Capture Cook County Championship 4 Years Straight

When the swimming team at New Trier High school lost to Evanston's natators in Patten gym Monday of this week, thereby relinquishing the championship honors of the Suburban league, a notable record of achievement came to a rather unfortunate close. With two of its foremost stars unable to compete in the decisive swim New Trier was virtually "out of the running" before the natators "hit the tank".

Naturally this week's event suggests a bit of retrospection and observation upon the past "Golden Era" superinduced by Coach Jackson.

Starting with the New Trier squad in 1918 Coach Jackson proceeded to lead the boys to the I. A. C. Cook County championship in that year, as well as in 1919, 1920 and 1921.

**Far Outclass Opponents**  
During the present season New Trier "swam" 23 meets, securing a total of 853 points to its opponents 422.

During the past four years the school has won every league meet except the two captured by Evanston this season. New Trier was crippled in both of these meets.

New Trier swimmers average younger in age than most of their competitors in the Suburban league. The majority of the squads have been juniors in age.

**Promote Intra-Mural Contests**  
Although New Trier manages to have a good team each year the beginners and mediocre swimmers of the school are not neglected. During the entire school year an organized swimming improvement scheme has been worked out for all the boy and girl swimmers and the annual Intra-Mural Gold Medal swimming tournament for boys who are not on the swimming squads. Ten teams of eleven swimmers on a team held a series of 28 meets. The girls of the school have a similar tournament. This work, as well as the coaching of three separate representative teams, must be conducted after school. New Trier, instead of giving the entire time, after school, to a group of eight or ten men, is promoting inter-school competition for three teams and teaching and promoting swimming for the entire student body.

### Prune Shrubs Now

Proper pruning rejuvenates, improper pruning destroys. Have your pruning done now, before the growing season begins. All work is given careful, skilful and prompt attention. Fullness of foliage and profusion of blossom depends upon this important work and the time it is done.

Following the Culver meet this year the head of the department of physical education at the military school remarked that New Trier in every event, gave Culver the best race of any team they had met. Incidentally, Culver's swimmers average from two to three years older than New Trier's natators.

In addition to his work in swimming instruction Coach Jackson also teaches gymnastics and calisthenics.

### Swell Scholarship Fund by Girls' Club Program

An entertainment for the benefit of the Scholarship Fund of the Girls' club of New Trier Township High school is to be given under direction of the club Thursday, March 30, at 3.20 o'clock, in the school auditorium.

Mrs. Jessie Royce Landis, leader in dramatics, appears on the program through the courtesy of the North Shore Players, with readings which will include cutting from "Smilin' Through," and several humorous selections.

Mr. Landis is now doing Radio reading and is to be heard on the regularly scheduled Friday evening Radio programs.

### GARDENS AID DISABLED

Sick and wounded soldiers of the world war are receiving more than \$1,000 a month from the famous Busch gardens in Pasadena. More than 40,000 adults have visited the gardens since last August, when Mrs. Lily Busch began giving the revenue to the American Legion for the relief of destitute service men.

### New Trier Negative Debate Squad Defeats Proviso High

New Trier High schools Debating squad representing the negative side of the question "Resolved that the policy of the closed shop in industry is justifiable," decisively defeated Proviso High school's orators last Saturday evening. Wilbur Bruns and Robert Koretz were the New Trier debaters.

The New Trier affirmative team lost to Proviso last Friday. Dwight Chapman and Walter Hughes gave the Proviso debaters a great fight and the decision was close. This Friday evening New Trier debaters meet Morton High school representatives.
