

SPRING'S HERE! BASEBALL LEAGUE IN FIRST CONFAB

"Are you interested in baseball?" asks Samuel S. Otis, president of the North Shore Baseball league.

The query is directed at all north shore residents who are interested in the great national pastime either from the point of view of spectators or players.

Monday evening, April 10, is the date of the opening meeting of the North Shore Baseball league. The session will be held at Town hall, Highwood, and every interested person is urged to put in an appearance.

The North Shore league has been in operation for two successful years. Both Winnetka and Glencoe have had excel-

lent teams in the organization and are expected to be again represented on the league roster.

Teams that join the league have an opportunity to share in making the rules that govern its activities and every opportunity to win the bunting. The organization serves the excellent

purpose of insuring competent supervision and umpiring, and tends to eliminate unfair practices in play.

Monday's session begins promptly at 8 o'clock. Constructive criticism of the league play or management in the past will be invited with a view to remedying unsatisfactory conditions.
