

SCHOOL YACHT FOLK MAKE NEW PLANS

The Skokie Yacht club entertained at an informal party in the Manual training shops of the Horace Mann school Wednesday afternoon of this week.

Plans were made for the camp Scholarship dance to be given in May in connection with the Adventure Island boys' camp and the date definitely set for Saturday, May 13.

The annual launching of the club "fleet" is scheduled for the first week in June, according to a decision made at the party this week.

Following the business session refreshments were served and there was an hour devoted to games and dancing.
