## Annual Meetings For North Shore Women's Clubs Occur Next Week

THE regular meeting of the Winnetka woman's club was held Thursday, April 6, Mrs. Willoughby Walling presiding. The next meeting of the club will be the annual meeting on April 20. Luncheon will be served at one o'clock. The members are requested to make their reservations early. The annual dues are also payable at this time.

An honorary membership to the club was extended to Mrs. Philip S. Post, who has been a regular member since 1910.

Mrs. Carrie Prouty, chairman of the Revision committee, read some proposed changes in the by-laws which will be acted upon at the annual meeting.

Announcement was made of the play, "A Single Man" which is to be given by the Community Players at Community House, April 19, for the purpose of raising funds with which to purchase stage equipment. This organization has given much pleasure to the village folks at various times with no cost to the public whatever. It should now be a pleasure for the public to have a part in the furtherance of the aims of the players.

Mrs. Arthur Barrett announced that

a ten per cent dividend will be allowed the club by Mestjian Bros. of Evanston on all orders for rug cleaning. Anyone wishing to have such work done, for the benefit of the club may give their order to Mrs. Barrett.

The annual card party for the benefit of the Winnetka Summer Camp under the direction of Mr. J. W. F. Davies will be held at the club rooms, April 26 at two o'clock. There will be a reading by Mrs. Lloyd A. Faxon of Winnetka. She will give "Enter Madame" by Gilda Varesi. There will also be music and tea.

Miss Boyer of Evanston made a plea for the Hostess House work in the Army Camps. The appropriations has been about exhausted and funds will be needed if the work is to continue. Club members were asked to use their influence with their representatives in Washington to secure appropriation for this work.

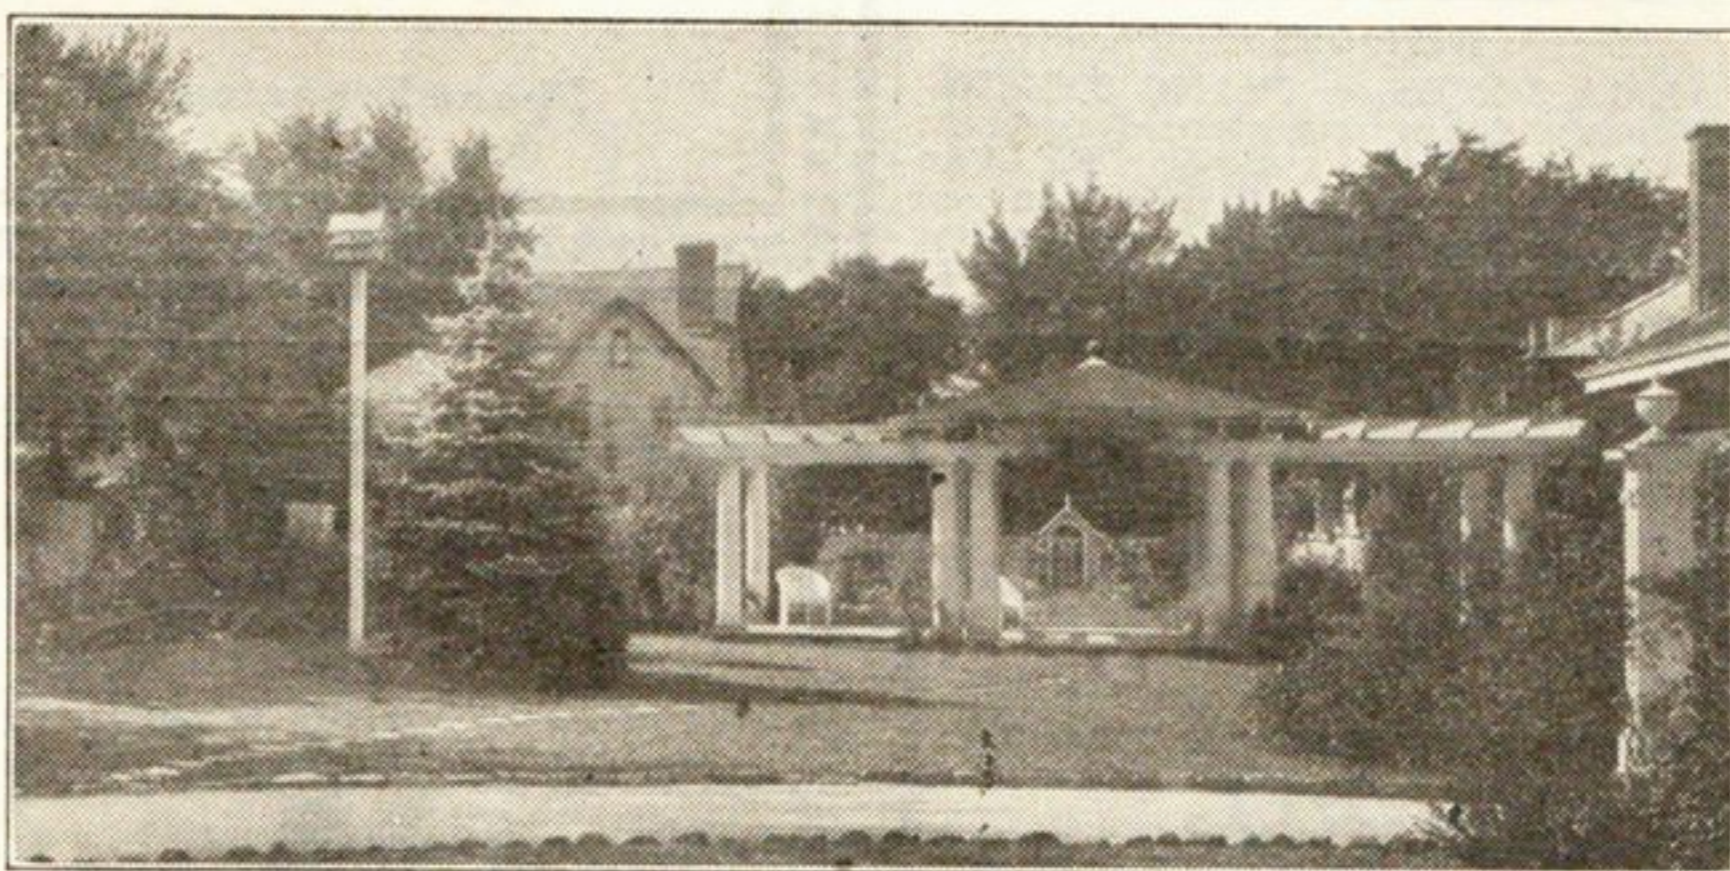

Miss Mary L. Reed spoke of the work of the World Friendship Bureau which hopes to bring National understanding to an acquaintance of what is necessary to maintain peace and friendship between the nations.

Miss Gemmell introduced the speaker, Dr. Burghardt Du Bois. His subject was "The Future of the Darker Races." Dr. Du Bois told of the difficulties which leaders of his race had encountered in trying to form a Pan-African organization. "Africa," the speaker said, "has been a place for exploitation for the countries of Europe." He spoke of the place the

West African troops occupied in the late war—in the thickest of the fight. Dr. Du Bois was audenced with great interest and many questions were asked at the close of his remarks. The following members were hostesses at the tea table. Mrs. Charles Byron, Mrs. Charles E. Karstrom, Mrs. W. Douglas McAdams and Mrs. William A. Thrall.

## New Trier Hi-Y's Hold Big Banquet at School

The Hi-Y at New Trier High school gave a banquet for the members at the lunch room of the school last Thursday. Eighty-two members of the club were there.

"Insult not nature with absurd expense,  
Nor spoil her simple charms with vain pretense,  
Weigh well the subject; be with caution bold;  
Refuse of genius, not profuse of gold."

Here is the best advice that we can give the residents of the North Shore who contemplate any sort of landscape work this spring:

Since the planting season is not far off, consider what changes, or designing of new development, you wish to carry out this coming season.

Do this now, because an early decision means ample time for a conscientious study of your problem, and an excellent choice from the nurseries, which is impossible if you delay too long.

By consulting us now you are assured of your planting being in the ground at the proper time, the result of which is a vigorous growth, and a profusion of colorful blossoms the first season.

No charge for consultation.
