"School Days" On Way To The Community House

Did you ever play hookey from school?

Wesley Barry, the freckle-faced movie star, plays hookey more than once in the Gus Edwards' screen play, "School Days," which comes to the Community House, Friday and Satur-

day, May 5 and 6. And in playing hookey, Wes' is said to lay the foundation for a story that will appeal to every human being who has experienced the thrills, the pranks and the many disappointments of boyhood.

For little Wesley, as the untamable

and irresponsible Speck Brown, loves the old swimmin' hole and his dog, "Hippy," more than all the wealth and education in the world. But he chances to meet a wealthy uncle who induces him to pursue an education among the juvenile high-brows in the

East. In his new surroundings he tries to be chummy. He also tries to put over an invention unperfected by his old friend, Leff, called "You-Can't-Lose-It Clothes-Pin." He finds himself duped by a pair of clever swindlers.

Don't build fires

at this season of the year when the weather is changeable.

Use automatically controlled heat--heat that regulates itself for all weathers.

Use heat that will supply you with hot water all summer, cheaply and independently of house heating.

Use heat that is much cheaper than coal or gas---that is 40% more efficient.
