

**Flowers Built This Attractive Store**

Henry Ilg, who has conducted a florist business in Winnetka for many years, recently opened new display rooms at the business location on upper Center street. The sales and display space is one of the most attractively appointed flower salons in this vicinity.

Ilg has supplied flowers to Winnetkans for every important occasion and is now prepared to give his patrons even better service than was possible in the past, and that is a considerable statement in view of the fact that the name Ilg has always suggested the best in the flower line.

**Springtime and Speeders, Also the Judge and Fines**

Springtime is speeding time for some too hasty motorists and immediately suggests activity on the part of the motorcycle policemen and, in turn, the various police magistrates.

Magistrate Mickey had a busy day last Saturday. Here is the grist. Albert Rogers of Chicago, 34 miles an hour along Sheridan road, \$10 costs; H. F. Putlaff of Milwaukee, same road same speed, \$10 and costs; Miss Helen Maxlin of Chicago, 33 miles an hour on Sheridan road, \$10 and costs; E. F. Belote, Winnetka,

33 miles an hour along Sheridan road, \$10 and costs; J. O. Hayworth, Lake Forest, speeding along Sheridan road at 34 miles an hour, \$15 and costs; C. E. Turner Craft, Wilmette, 35 miles an hour along Sheridan road, \$10 and costs.

**Call Public Hearing To Consider Street Paving**

At the last meeting of the Winnetka Village Council a petition was received requesting the repaving of Linden avenue and Gage street in Hubbard Woods.

An informal public hearing to con-

sider this prospective improvement has been called for Tuesday evening, May 2, at the Village hall council chambers.

**CAMP FIRE CEREMONIAL**

Friday afternoon, May 12, the Camp Fire Girls are planning their annual Grand Ceremonial meeting in the gymnasium of Community House. This is a most impressive and beautiful ceremony, when honor beads, and ranks are given to those of the hundred girls who have earned them. Mrs. John Moody, head of the Chicago Division of the Camp Fire Girls, will conduct the meeting.

**WINNETKA STATE BANK**

A Bank that Pulls for  
 "A Town Where People Pull Together"

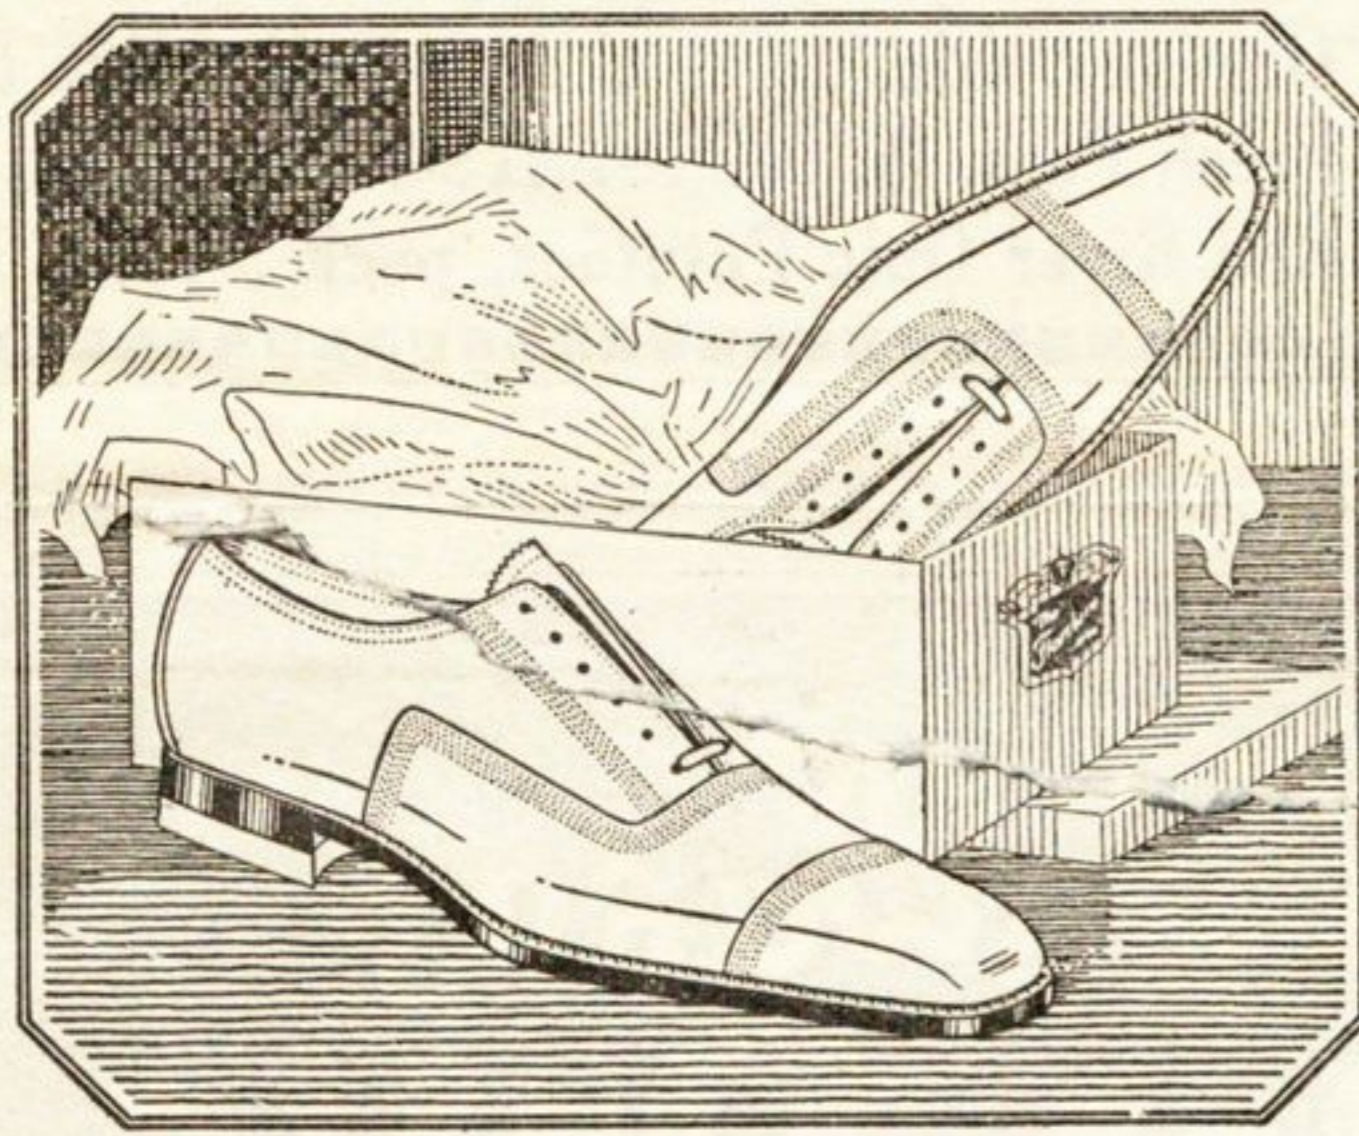

If you have not already read the story under the above title in the May issue of the American Magazine, get it and see how Winnetka points out the way to develop real Community life and spirit in a village. We should all adopt this as our slogan as it describes our Townspeople exactly. Remember in the building of our Schools, in the development of our Community House, and all other affairs of local interest it requires concerted and united action to reach a successful end for each undertaking. With this in mind make it a point to do your banking business in Winnetka. Start an account with us and help us to develop still further that Community Spirit.

Elm Street at Lincoln Avenue

Established 1909.

The New Bank Building is just two doors east of our present location.
